A Special Illumination Rollan McCleary, 2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles *A Special Illumination* offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion

Neal, 2013-12-05 There is a growing movement to incorporate faith and spirituality in the workplace to do things better to utilize all the human capabilities of employees and to truly revolutionize the role of business in the world *Creating Enlightened Organizations* is the first book to provide a truly comprehensive approach to creating an organization designed to unleash full human potential in the workplace Businesses have learned how to involve employees in problem solving improve the emotional intelligence of their leaders reengineer the business processes and create customer delight but they have left out one essential ingredient that makes all the difference the human spirit There is a hunger for meaning and purpose in our workplaces and in our institutions This book simplifies and organizes the best of what is going on in organizations at the individual team and systems levels and provides guidance for putting it to practical use It also offers a radically new view of the purpose of business in society and provides examples of leading edge organizations that make a positive difference in the world Spirituality is the new competitive edge and enlightened organizations know how to integrate the human spirit and spiritual values into their business practices

Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey s life s work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey s concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic s passion for God

with the activist's passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future
