## **Beethoven's Quartets:**

*The Beethoven Quartets* Joseph Kerman, 1979 A critical study of the structure style and significance of the sixteen string quartets

**Beethoven for a Later Age** Edward Dusinberre, 2016-05-06 A richly detailed portrayal of the intimate workings of a great string quartet as revealed to us through the recollections of its first violinist Philip Roth Edward Dusinberre first violinist of the renowned Takács Quartet offers a rare peek inside the workings of his ensemble while providing an insightful history of Beethoven's sixteen string quartets and their performance Founded in Hungary in 1975 and now based in Boulder Colorado the Takács is one of the world's preeminent string quartets and performances of Beethoven have been at the center of their work together for over forty years Using the history of both the Takács Quartet and the Beethoven quartets as a foundation *Beethoven for a Later Age* provides a backstage look at the daily life of a quartet showing the necessary creative tension between individual and group and how four people can at the same time forge a lasting artistic connection and enjoy making music together over decades In an accessible style suitable for novices and chamber music enthusiasts alike Dusinberre illuminates the variety and contradictions of Beethoven's quartets which were composed against the turbulent backdrop of the Napoleonic Wars and their aftermath and he brings the technical aspects of the music to life We are given intimate insight into the almost impossible to describe musical process of rehearsal and performance the artistic and human interaction that links these modern musicians with their forebears and Beethoven himself Garrick Ohlsson pianist This singular memoir will be something between informative and revelatory to readers from musicians to music lovers Jan Swafford author of *Beethoven Anguish and Triumph*

[Inside Beethoven's Quartets](#) Lewis Lockwood, 2008-04-30 Beethoven's string quartets have rewarded the engagement of scholars performers and audiences for almost two hundred years This book and its accompanying recording invite you to experience three of these profound and beautiful works of music from the inside with a renowned Beethoven scholar and the Juilliard String Quartet as your guides

**Beethoven's String Quartets** Phillip Radcliffe, 1978-09-07 Beethoven's string quartets form one of the most intimate and revealing sections of his output giving a full and varied picture of his musical personality This study of the quartets by Philip Radcliffe first published by Hutchinson University in 1965 was reissued by Cambridge University Press in 1978 Each work is examined in detail describing the development of Beethoven's style a method that highlights the very strong individuality that remained unimpaired throughout the composition of these quartets They are compared with Beethoven's other music and with the string quartets of composers before and since This is a book which has proved itself to be of continuing value to the student of music at school and university level and to the general reader

*Beethoven's Theatrical Quartets* Nancy November, 2013 The first detailed contextual study of Beethoven's middle period quartets encompassing reception history early performance practices aesthetic contexts and theatrical impetus

[The String Quartets of Beethoven](#) William Kinderman, 2010-10-01 We do not understand music it understands us This aphorism by Theodor W Adorno expresses the quandary and the fascination

many listeners have felt in approaching Beethoven's late quartets. No group of compositions occupies a more central position in chamber music yet the meaning of these works continues to stimulate debate. William Kinderman's *The String Quartets of Beethoven* stands as the most detailed and comprehensive exploration of the subject. It collects new work by leading international scholars who draw on a variety of historical sources and analytical approaches to offer fresh insights into the aesthetics of the quartets, probing expressive and structural features that have hitherto received little attention. This volume also includes an appendix with updated information on the chronology and sources of the quartets and a detailed bibliography.

**Beethoven for a Later Age** Edward Dusinberre, 2016 Using the history of the composition of Beethoven's string quartets as the backbone to his story, Edward Dusinberre, leader of the Takacs Quartet, recounts the life of the Quartet from its inception in Hungary through emigration to the US and its present-day life of world renown. He also describes what it was like for him as a young man fresh out of Juilliard to join the quartet as its non-Hungarian leader, a challenging task. *Beethoven for a Later Age* takes the reader inside the life of a quartet, vividly showing how four people make music together over a long period of time without becoming stale or falling out. The key, the author argues, is in continual change and experiment, and these are at the heart of Beethoven's remarkable compositions for quartet.

**Beethoven's Quartets** Joseph de Marliave, 1928 Remarkably readable and accessible, this classic exposition presents a bar-by-bar, theme-by-theme analysis of all 16 quartets and the *Grosse Fuge*. Joseph de Marliave eschews technical terms, focusing on mood and general effects. His numerous musical examples (321 in all) offer crystalline illustrations of Beethoven's major themes and allow readers to follow every development and embellishment. In addition to musicological information, the author provides a complete background encompassing dates of composition, reactions of contemporary audiences and critics, the influences of Mozart and Haydn, and Beethoven's transcendence of established forms. Scholars will find abundant source material, including quotations from other studies of Beethoven, personal remarks by the composer, and contemporary comments by Beethoven's patrons and friends. Clear and detailed analyses, in addition to a wealth of documentary material, make this book one of the most complete and authoritative studies of Beethoven's quartets, as well as one of the most enjoyable.

Book jacket *String Quartets in Beethoven's Europe* Nancy November, 2022-04-19 *String Quartets in Beethoven's Europe* is the first detailed study of string quartets in late eighteenth and early nineteenth-century Europe. It brings together the work of nine scholars who explore little-studied aspects of this multi-faceted genre. Together, this book's chapters deal with compositional responses to Beethoven's string quartets and the prestige of the genre, varied compositional practices in string quartet writing with a particular emphasis on texture and performance elements, and the reception of Beethoven's string quartets ca. 1800. They include discussions of quartets composed for the amateur and connoisseur markets in Beethoven's Europe, virtuosity, the French Violin School, and the *quatuor brillant*, the relationship between quartet composers and their audiences during Beethoven's era, and the cross-pollination of quartet styles in Europe's musical centers such as Vienna, Paris, and St.

Petersburg *Beethoven's Late String Quartets* Harold Truscott,1968 **The Beethoven Quartet Companion** Robert Winter,Robert Martin,1994 This collection offers Beethoven lovers detailed notes on the listening experience of each quartet and a range of more general perspectives [The Beethoven Quartet Companion](#) Robert Winter,Robert Martin,2023-09-01 While the Beethoven string quartets are to chamber music what the plays of Shakespeare are to drama even seasoned concertgoers will welcome guidance with these personal and sometimes enigmatic works This collection offers Beethoven lovers both detailed notes on the listening experience of each quartet and a stimulating range of more general perspectives Who has the quartets audience been How were the quartets performed before the era of sound recordings What is the relationship between classical and romantic in the quartets How was their reception affected by social and economic history What sorts of interpretive decisions are made by performers today The Companion brings together a matchless group of Beethoven experts Joseph Kerman is perhaps the world s most renowned Beethoven scholar Robert Winter an authority on sketches for the late quartets has created interactive programs regarded as milestones in multimedia publishing Maynard Solomon has written an acclaimed biography of Beethoven Leon Botstein is the conductor of the American Symphony Orchestra as well as a distinguished social historian and college president Robert Martin writes from his experience as cellist of the Sequoia Quartet And the book is anchored by the program notes of Michael Steinberg who has served as Artistic Advisor of the San Francisco Symphony and the Minnesota Orchestra While the Beethoven string quartets are to chamber music what the plays of Shakespeare are to drama even seasoned concertgoers will welcome guidance with these personal and sometimes enigmatic works This collection offers Beethoven lovers bot *Beethoven's String Quartet in C-sharp Minor, Op. 131* Nancy November,2021 Beethoven s String Quartet in C sharp minor Op 131 1826 is not only firmly a part of the scholarly canon the performing canon and the pedagogical canon but also makes its presence felt in popular culture Yet in recent times the terms in which the C sharp minor quartet is discussed and presented tend to undermine the multivalent nature of the work Although it is held up as a masterpiece Op 131 has often been understood in monochrome terms as a work portraying tragedy struggle and loss In Beethoven s String Quartet in C sharp Minor Op 13 author Nancy November takes the modern day listener well beyond these categories of adversity or deficit The book goes back to early reception documents including Beethoven s own writings about the work to help the listener reinterpret and re hear it This book reveals the diverse musical ideas present in Op 131 and places the work in the context of an emerging ideology of silent or serious listening in Beethoven s Europe It considers how this particular late quartet could speak with special eloquence to a highly select but passionately enthusiastic audience and examines how and why the reception of Op 131 has changed so profoundly from Beethoven s time to our own **String Quartets of Beethoven** Teaching Company,2009 This course examines the composition of Beethoven s string quartets chronologically which frequently differs from the published numbering of the pieces Our chronological examination allows us to follow the intellectual and creative development of a composer who

internalized the genre as it existed to his time and then pushed it far beyond its boundaries From course scope

### **Beethovens Quartets Introduction**

In todays digital age, the availability of Beethovens Quartets books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Beethovens Quartets books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Beethovens Quartets books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Beethovens Quartets versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Beethovens Quartets books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Beethovens Quartets books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Beethovens Quartets books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Beethovens Quartets books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Beethovens Quartets books and manuals for download and embark on your journey of knowledge?
