The Assault: Germany Before the Outbreak and England in War-Time Frederic William Wile,

This is not a war book It has not been my privilege at any stage of the Great Blood Letting to come into close contact with the spectacular clash and din of the fray Abler pens than mine many of them wielded by the neutral hands of American colleagues are immortalizing the terrible yet irresistibly fascinating scenes of this most stupendous drama But every drama has its scenario and its prologue and its behind the curtain scenes none ever written was so rich in these preliminaries and accessories as is Europe s epic To have witnessed and lived through some of these was vouchsafed me and to take American readers with me down the line of the past year s recollections and impressions is the sole object of this unpretentious effort History Carlyle said was some one s record of personal experiences To such experiences as far as possible the pages of this book are confined For thirteen years to the week I have always had a respectful horror of thirteen I was a resident of Berlin During the first five years of that period my identity was clear I was the representative in Germany of an American newspaper the Chicago Daily News But in 1906 I became an international complication for it was then I joined the staff of the London Daily Mail which converted my status into that of an Americanserving British journalistic interests in Germany It was not long afterward that welcome opportunity presented itself to renew home professional ties in connection with my British work and for several years prior to the outbreak of the war I carried the credentials of Berlin correspondent of the New York Times and the Chicago Tribune They were on my person with my United States passport the night of August 4 1914 when the Kaiser s police arrested me as an English spy I feel it necessary to introduce so highly personal a narrative with these details in order to make plain at the outset that it is the narrative of an American born and bred My proudest boast during ten years association with Great Britain s premier newspaper organization was that I never lost my Americanism My English editor on the occasion of my earliest physical conflict with the Mailed Fist in Berlin doubtless recalls taking me to task for invoking the protection of the United States Embassy just as my British colleagues concerned in the same imbroglio had invoked the aid of their Embassy Of the reams I have written for the Daily Mail in my day I never sent it anything which sprang more sincerely from the heart than the message to its editor that I had not renounced allegiance to my country when I pledged my professional services to a British newspaper I have no higher aspiration as far as this volume is concerned than that critics of it hostile or friendly may pronounce it pro Ally from start to finish I shall survive even the charge that it is pro English I mean it to be all of that as I have tried to breathe sincerity into every line of it But I shall not feel inclined to accept without protest an accusation that the book is anti German It is true that I regard this essentially a German made or rather a Prussian made war and that I hold Prussian militarism and militarists solely responsible for plunging the world into this unending bath of blood and tears It is true that I wish to see Germany beaten I wish her beaten for the Allies sake and for my own country s sake A victorious Germany would be a menace to international liberty and become automatically a threat to the happiness

and freedom of the United States My years in Germany taught me that But I cherish no scintilla of hatred or animosity toward the German people as individuals who will be the real victims of the war I saw them with my own eyes literally dragged into the fight against their will fears and judgment I know from their own lips that they considered it a cruelly unnecessary war and did not want it They were joyful and prosperous a year and a half ago never more so They craved a continuance of the simple blessings of peace unless their tearful protestations in the fateful month preceding the drawing of their mighty sword were the complaints of a race of hypocrites and I do not think the percentage of hypocrisy higher in Germany man for man than elsewhere in the world The German s Gott strafe England cult for example is no revelation to any man who has lived among them Their hatred for Perfidious Albion has long been vigorous and purposeful Bulletin ... Before I Die Again Introduction

In the digital age, access to information has become easier than ever before. The ability to download Before I Die Again has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Before I Die Again has opened up a world of possibilities. Downloading Before I Die Again provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Before I Die Again has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Before I Die Again. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Before I Die Again. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Before I Die Again, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Before I Die Again has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
