Whispers of Silent Screams Cassandra Smith,2011-08-06

Where did you go where could you be how could you just keep leaving me All alone in a world where nothing is ever what it seems Every night in my dreams whispers of silent screams Too young to defend myself so afraid I try to hide Blood tears dripping from my eyes as death lurks at my side I whisper out to you why didn t you face the truth Were you afraid of me Didn t you know who I would grow to be Too tortured to scream out too frail too insane couldn t deal with all the pain Mother do you hear me I can only whisper out your name WHISPERS OF SILENT SCREAMS *Wheeler's Wake Volume Ii* Andrew Clyde Little,2012-02-06 Volume II of Wheelers Wake continues the story of a communications pioneer involved in shortwave radio and the birth of television Wheeler also managed to raise a son while dealing with a highly neurotic wife It traces how he balanced a demanding career with the role of a father in a difficult marriage This support for his son allowed the author to grow into a responsible adult who eventually followed in his fathers wake shaping his own career using some of the technology Wheeler developed It is a tribute to a remarkable man from a devoted and loving son Andrew Clyde Little

Silent Majority Conrad Riker,101-01-01 They silenced your voice Now it s time to break their chains Are you exhausted by the relentless attack on masculinity tradition and truth Do you feel your values crumbling under the boot of cultural Marxism What if everything you ve been told about equality gender and freedom is a lie Expose the lies behind toxic feminism s billion dollar victim industry Learn how global elites use diversity to erase your heritage and enslave your children Discover why masculinity not weakness built civilization and why they fear it Fight back against the Deep State s war on faith family and free speech Uncover the data they bury biology merit and borders S T I L L matter Arm yourself against the Satanic cult of wokeness infiltrating schools and churches Reject the Great Replacement suicide pact before it s too late Join the rebellion of men who refuse to kneel If you want to reclaim your birthright as a man defend your family and spit in the face of tyranny buy this book today

Radical Christian Humanism R Gordon Zyne,2025-12-04 Radical Christian

Humanism is a spiritually grounded theology for our time where divine love meets the suffering of the world It reclaims the ancient truth that every human being is created in the image of God and expands it into a radical call for justice compassion and renewal Rooted in the life and teachings of Christ this vision embraces all who are marginalized oppressed or forgotten recognizing in them the living presence of the Divine More than doctrine it is a manifesto a movement of conscience It affirms that faith must engage the full breadth of human experience scientific social political and spiritual It challenges systems that dehumanize and destroy calling the Church to prophetic action nonviolent resistance and deep solidarity with the least of these In Radical Christian Humanism the Cross is not a symbol of defeat but the locus of divine transformation where love becomes power and compassion becomes the foundation of creation itself This theology honors both the mystery

of Spirit and the wonder of science seeing all matter energy time and life as sacred It is radical not in rebellion but in its return to the root Latin radix of what it means to be human in God s image and to live that truth in the world Whispers Beneath The Banyan Simran Mehta,2025-06-04 Whispers Beneath the Banyan follows Bhoora an abandoned child who hears delicate murmurs flowing through a village s ancient banyan As he translates the tree s silent counsel wounds heal hardened elders soften and ordinary routines become quiet rites of wonder Yet Bhoora gradually discovers the guidance originates not from bark or root but from the stillness sleeping inside every receptive soul When the sacred tree disappears its wisdom scatters into the villagers own breaths and is entrusted to a new listener Anaya Blending folklore and contemplative fiction this luminous novel celebrates listening impermanence and the humble transformative echo of shared presence Canadian Books in Print.
