Before You Hit the Wall Danny Lehmann,2001-12 When we face the wall in our spiritual race will we give up or press on to God s destiny for our lives Danny Lehmann shows here that training our souls through spiritual discipline is not only doable but enjoyable Subject Guide to Books in Print ,1997 REINCARNATE! - A Love Letter From THE PHOENIX Shreshtha Jha,2025-08-18 The book has been written to uplift the depressed energy that gets burnt and gradually evaporates combating the conservative mentalities surrounding the purehearted individuals Being pure in heart is a blessing but if it is not accompanied by a sharp head and strong will to claim your spotlight your birth and worth both will get wasted This is a fourbook series that has been written with every honest effort to highlight the still existing hypocrisy in society with the selfproclaimed lawmakers of society who breathe authority even when just sought a perspective irrespective of the fact whether they possess any knowledge about the topic being discussed or whether ever lived a different life with the new generation of this new era And due to these shallow creatures lives of the people who are born with the most amazing combination of zeal and zest to pursue and accomplish stunning peaks in personal and professional spheres get tossed upside down making their lives a living hell To those who are suffering it is time put on the armour and slay down the evil in your life Change in head should precede change in heart if a worthy life is the goal The Way of Grace Miranda Macpherson,2018-11-01 Perhaps you hunger to finally end the struggle of living from a consciousness of fear and separation Perhaps you yearn for a saner wiser more spiritually elegant way to move through our world Perhaps you are weary of the dizzying pace of a culture that drives us ever further from our true nature There is another way a way of Grace This book is a hand of friendship to help you come to abide in the living presence that you are and always were Miranda Macpherson The Way of Grace Many of us struggle to truly live what we believe spiritually What if closing that gap wasn t about trying harder but something quite the opposite The Way of Grace is a guide to spiritual surrender and nondual realization based on the practice of ego relaxation a holistic feminine approach to welcoming all of your experience and responding with compassion and wisdom in a world in need of your unique gifts Grace has four primary dimensions or ways that it comes alive explains Macpherson Ego relaxation gives us access to these dimensions so we can stop trying to beat ourselves into spiritual shape and yield instead to an unshakable presence within In The Way of Grace she shares reflections inquiries and meditation practices for each phase of your journey Relaxing into the Ground of Grace move beyond identification with your personality and return to the felt sense of your connection to Grace as your natural and ever present foundation Receiving the Blessings of Grace move beyond the spiritual poverty of lack and rediscover the gift of life in every moment through the portals of trust humility patience and joy The Transforming Power of Grace move beyond that which limits your full freedom through forgiveness compassion unwinding ego identity and abiding in your boundless nature Living the Embodiment of Grace continue to surrender anything that binds you into self centered patterns and behaviors and become a Grace delivery device
