## **Begin To Live:**

*Life Begins when You Begin to Live* Chi Ho,2024-01-27 Have you ever wondered about the path you chose or constantly thought about the path you didn't choose You only live once and then you disappear You try to commit to everyone but why not keep commitments to yourself Commitment to happiness It is not about the book to save you from despair or discouragement But it tells you a partly true story about people like you They have chosen their expectations to live as they want and love the person fate has arranged Life is like a thin layer of ice you can fall underneath anytime Be prepared for unexpected falls Because in the end if that fall doesn't kill you won't it teach you how to stand up I hope to see you again on a warm sunny morning with wind and melodic music Prepare a hot coffee turn on The Moment Kenny G and get into my book
