Recurring Dream Symbols Kathleen Sullivan, 2004 Do you ever wonder why your dreams often contain recurring symbol or themes Have you been haunted by recurring dreams of being chased being naked in public or having your teeth fall out Based on her work with dreamers analyzing their own recurring dream symbols Kathleen Sullivan explains that working recurrent dreams as a series is the key to unleashing the healing force of these symbols Fourteen dreamers participate in the study illustrating the process of uncovering the profound meaning within each recurring symbol These are transformational stories of dreamers engaging their own recurring symbols leading to a new wholeness and deep level of growth and understanding

Jung Susan Rowland, 2009-09 Renowned as one of the architects of psychoanalytic theory Carl Gustav Jung devoted his career to exploring the unknown depths of the human subconscious and in doing so left a legacy to the literature science and sociology of the modern era In addition to explaining his key ideas synchronicity archetypes the collective subconscious and introversion extroversion this lively introduction examines Jung's cultural criticism of the modern world his political intuitions and his later fascination with spiritualism

Windows and Doors Phylcia Ntrelle, Phylcia ÉNtrelle, 2008-10 **The Shadow's Gift** Robin Robertson, 2011-04-01 There is no change that doesn't begin in the darkness of the human soul The necessity for the confrontation with the Shadow

has been known by all cultures in all times and recorded in their myths and legends When the obligation to become whole is laid upon an individual the first task he must undertake is to confront his Shadow The Shadow s Gift Find Who You really Are is about the Shadow contained in each of us and why we must each join with our shadow the archetype of darkness and evil in order to become whole This heroic process is crucial as the projection or denial of the Shadow twists its true meaning into a destructive counter evolutionary force Owning and integrating our shadow allows its transformation in both the world and us The Shadow is a paradox While it initially appears to us as loathsome and despicable it actually contains all our future potentialities for development Perhaps more than any other Robin Robertson discusses it from a the perspective of a belief in the inherent potential good of the Shadow and its ability to assist us in our quest for self actualization Robin Robertson draws from stories of real people s lives the Bible fairy tales and legends modern fiction and the work of famed depth psychologist C G Jung as well as his own experiences His writing is intimate and accessible and his insights and wisdom are conveyed in anecdotal and easy to understand language with clarity and depth *C.
