Beginning With Johns Gospel:

Beginning with John's Gospel Susan Harding, 1996-01-01 Writing for the younger reader Susan Harding uses the opening verses of John's Gospel to explain who Jesus was and why he came into the world The pages of this attractively illustrated book are designed to point the way to Jesus as Lord

John's Gospel Hermann Beckh, 2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John's invaluable writings were based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh's authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob Böhme Goethe Nietzsche and Novalis He thereby stands with these figures as a co-worker in a greater community Having prepared the way with his Mark's Gospel of 1928 John's Gospel could be described as the capstone of Beckh's writings as a triumphant announcement that theology and the study of John's Gospel have finally come of age Appearing here in a freshly revised translation by Alan Stott the current volume is enhanced by a series of valuable addenda that shed further light on Beckh's significant achievements

Unpacking John 1 Julie Guggino, 2015-01-07

Unpacking John 1 was conceived at my kitchen table I had just finished an intense study the previous morning Feeling somewhat aimless that morning I said to myself It's been a while since I studied one of the gospels Guess I'll read John Two and a half years later I finished John 1 The first chapter of John's gospel starts in the beginning and concludes with a picture of heaven opening That struck me as significant As I explored what was contained between the beginning and the end I was stunned to count seventeen themes in just that one chapter Unpacking John 1 is a topical study of the seventeen themes I discovered that morning while eating breakfast As I wrote I envisioned three primary audiences people who were curious about the Bible and wanted an overview of some of its important themes people who were interested in studying John 1 and pastors and teachers preparing to teach about John's gospel or any of the themes found in John 1 What sets this book apart from other studies of John 1 is that the scriptures themselves become the commentary for the topics Each theme is a chapter Creation and the Word Life Light and Darkness John the Baptist and His Message Children of God Glory The One and Only Grace Truth Lamb of God Baptism The Holy Spirit Following the Rabbi The Messiah The Law and the Prophets The Son of God The King of Israel and Open Heaven
