**LAURENCE P. INCE, Ph.D.**

*Psychology Service, Department of Rehabilitative Medicine  
Columbia Memorial Hospital, New York University Medical Center*

In uniting the discipline of rehabilitation medicine with the practice of behavior modification, this book presents the numerous ways in which behavioral procedures can be employed to benefit rehabilitation patients. This approach will be particularly useful to all types of rehabilitation therapists, psychologists and nurses. Physicians, social workers and vocational rehabilitation counselors will find many practical applications as well.

For those unfamiliar with the principles and procedures described herein, new vistas of treatment will be uncovered. For those already knowledgeable in behavior modification, this book will generate new ideas for the application of its techniques and motivate them to continue in their work.
