Behind the Headlines Karyn Turk,2021-10-12 In the days of clickbait news it s hard to see the truth behind today s biggest stories Karyn Turk Mrs Florida 2016 was no stranger to headlines She worked behind the scenes as an executive for CBS then won the 2016 Mrs Florida Pageant just as Donald J Trump was running for president She supported his campaign all while wearing a sash and crown She became a well recognized crisis media manager for high profile political cases that made headlines and had no fear of controversy Karyn s desire to stand up for those she felt were being mistreated was no secret She was an outspoken loud and proud conservative with a social media following and a big mouth She was reaching a high point in her career Then cancel culture came for her The deep state Florida swamp rose up and the connected legal gators began to circle her The headlines were as salacious as they could be Mrs Florida stole pennies off her Mother s eyes before she died Fresh off a fundraiser for Roger Stone Mrs Florida pleads guilty to social security fraud The true story was of a daughter who tried to stand up against corruption and abuse but it was a story that none of the newspapers or media outlets reported Instead a misdemeanor for a seventeen thousand dollar misappropriation of her mother s social security pension was the charge and a month long jail sentence in a maximum security prison the resulting consequence a bizarre result for someone with no criminal record at all Behind the Headlines reveals how Karyn s career family life and credibility was called into question because of the impact cancel culture has on society *Statistics Behind the Headlines* A. Finding Joy Beyond the Headlines Bobby Lewis, 2018-07-25 News headlines rarely uplift us They tell depressing stories about everything that is going wrong in the world The headlines can give us an unrealistic picture of what is actually happening God is doing amazing things in this dark and broken world He shows up today in the middle of our mess and provides reasons to be thankful hopeful and joyful The headlines get the attention but there is good news everywhere Are you looking for it Im all about looking for the good because when you do that is exactly what you see Blindness has taught me that no matter how dark life seems there is still goodness and grace all around That is why I love Bobby Lewis book He helps us see beyond the bad news and focus our hearts on hope I really think he may have the cure for the common headlines right here on these pages After reading just one chapter I was reminded that God is good He is here There is hope and joy is possible Jennifer Rothschild Author of 14 books including bestsellers *Lessons I Learned in the Dark* and *Me Myself and Lies*
