

# The Rose Beyond The Wall

A rose once grew,  
Where all could see  
Sheltered beside a garden wall  
And, as the days passed swiftly by  
It spread its branches straight and tall.

One day a beam of light shone through  
A crevice that had opened wide,  
The rose bent gently toward its warmth  
Then passed beyond to the other side.

Now you who deeply feel its loss,  
Be comforted — the rose blooms there,  
Its beauty even greater now  
Nurtured by God's own loving care.

*in loving memory of

Sifuentes, 2006-02 Behind the Wall is my personal journal I wrote a poetic journal about situations in my life and personal people and things that I felt strongly about As I was writing my journal I thought that it might be a good idea to publish it I have always been told that I have a barrier that holds me from getting close to anyone I believed that I was not alone Everyone has a wall that they place in their hearts to protect them from getting hurt Behind your wall you place feelings situations memories and issues that you keep from everyone else These things behind the wall will be protected in such a way that you just might die without ever expressing them I decided to express mine in order to touch people that just might be feeling the same way You will see poems of situations that happened to me people that are dear to me dreams that I have had issues that I feel strongly about feelings that I have felt and poems of certain animals or ideas that I have once thought about When you read the poetry it will open your heart mind and soul It will take you away to different places and make you feel either safe or disturbed The poems in Behind the Wall will touch you and make you use all your five senses You will feel joy sadness and anger all at the same time and it will take a hold of you in ways you could not imagine      **Behind Walls and Glass** Mahtem Shiferraw, 2016-01-08      Poetry to God Terry Webb, 2014-07-26 Poetry to God Volume 4 Prison Praise is a vast collection of spiritual uplifting and empowering poems written by a man doing time in state prison This book of poetry Includes cries from behind the wall and love letters from prison Each poem will encourage your heart soul and mind and keep you focused on the things of God Overwhelming comfort can also be found here in this book of inspirational poetry All of the poems are true life experiences written by Terry Webb while doing time in a California state prison keeping his heart and mind on the things of God      *Words Spoken from Behind the Wall* Tyris Easley, 2022-10-30 This book is an informative honest true factuality of people that have forfeited something good for instant gratification Either regretful or grateful each reader can fit these instances somewhere or at sometime in their life This book is from a perspective of one who is no longer whole reminiscing or regretting There is always room for thanks and praise in one mind not forgetting those who made a difference in who you

Segel,2012-11-11 Because of their visibility in society and ability to shape public opinion prominent literary figures were among the first targets of Communist repression torture and incarceration Authors such as Aleksandr Solzhenitsyn famously documented the experience of internment in Soviet gulags Little however has been published in the English language on the work of writers imprisoned by other countries of the Soviet bloc For the first time The Walls Behind the Curtain presents a collection of works from East European novelists poets playwrights and essayists who wrote during or after their captivity under communism Harold B Segel paints a backdrop of the political culture and prison and labor camp systems of each country detailing the onerous conditions that writers faced Segel then offers biographical information on each writer and presents excerpts of their writing Notable literary figures included are Vaclav Havel Eva Kanturkova Milan Simecka Adam Michnik Milovan Djilas Paul Goma Tibor Dery and Visar Zhiti as well as many other writers This anthology recovers many of the most important yet overlooked literary voices from the era of Communist occupation Although translated from numerous languages and across varied cultures there is a distinct commonality in the experiences documented by these works The Walls Behind the Curtain serves as a testament to the perseverance of the human spirit and a quest for individual liberty that many writers forfeited their lives for **Voices Behind the Walls** Adrian Caldwell,2025-02-27 In Voices Behind the Walls poetry becomes a vibrant tapestry woven from the whispers and echoes of the unseen This collection invites readers to explore the intimate realms of human experience where emotions and stories are often concealed within the confines of solitude and silence Each poem serves as a portal revealing the thoughts and feelings of those who navigate life in the shadows From the resilient heartbeats of lost lovers to the haunting reflections of forgotten memories the verses resonate with a profound truth that transcends boundaries The poet's language dances between vulnerability and strength offering raw insights into the complexities of identity belonging and the quest for connection With lyrical beauty and poignant imagery Voices Behind the Walls resonates deeply beckoning readers to listen closely and embrace the power of empathy Discover the stories that long to be told and find your own voice amid the whispers of the walls that surround us all **Poems from Behind the Walls** Vint Martinez,2010-07 The parameters of the

human mind are more often than not defined by the amount of emotional suffering and physical pain experienced by the individual After these experiences are filtered through the heart and mind they seek release in some form of personal expression It is in these forms of expression we find either solace or madness In my poetry and other writings I have found a good measure of solace But my real treasure Matthew 6 19 21 is God s never ending love a love though veiled by darker things shine through with the power to change the human soul

**Behind a Wall of Mirrors** Tim M. Riding,2013-03-29  
This is a journey in time through my poetry A time that has not yet ended but is clearly in sight My own problem with poetry was and is inextricably linked to the visual Not the finished piece but the spark Life love and landscape The words express the feelings of pain regret joy and despair and I know that I am not alone These are emotions that we all experience and I have Dr Dorothy Rowe to thank for giving me the courage to share these feelings If just one poem can touch the heart of one other person then what I have written has not been in vain
