## **Behind The Fourth Gospel:**

*Behind the Fourth Gospel* Barnabas Lindars, 2010-06-01 The effort to get behind the fourth gospel is no mere literary critical game The value we place upon it is inseparable from the way in which we understand its origins The true relation to the Gospel to the beginnings of Christianity remains unsettled question of New Testament scholarship Barnabas Lindars discusses the attempts to identify continuous sources among them the discourse source emphasized by Bultmann and the signs source recently reconstructed by R T Fortna A more promising approach he thinks lies in considering John's technique as a writer who builds upon the primitive tradition first in the discourses then when miracle stories are used in conjunction with discourse then in extended narrative This provides the vantage point for a survey of the Gospel as a whole from which its unknown author emerges as essentially a preacher who presents the authentic challenge of the message of Jesus in a work of immense creative skill and compelling theological power Historical Tradition in the Fourth Gospel C. H. Dodd, 1963 An historical investigation of the narrative material and Sayings of St John's Gospel **Understanding the Fourth Gospel** John Ashton, 2007-04-26 Arguing that the thought world of the Gospel is Jewish not Greek and that the text is composed over an extended period as the evangelist responded to the changing situation of the community this book offers a partial answer to a key question how did Christianity emerge from Judaism **Behind the Fourth Gospel** Barnabas Lindars (s.s.f.), 1971 **The Fourth Gospel and Its Predecessors** Robert Tomson Fortna, 2007-03-01 This is the groundbreaking sequel to Fortna's *The Gospel of Signs* which reconstructed a source underlying the Fourth Gospel narrative Here he not only brings that reconstruction up to date but also provides commentary section by section on both the text of the reconstructed Johannine source and its redaction in canonical John Part One In Part Two Fortna systematically draws together the theological movement from source to present Gospel covering such topics as Christology the value of signs for faith salvation Jesus death eschatology and community and the Jews in relation to geography in the Fourth Gospel This work then provides a comprehensive and unique redaction critical treatment of the whole Johannine narrative **Behind the Fourth Gospel** Carl R. Gillett, 1962 **Studies in the Fourth Gospel** Leon Morris, 2006-06-01 These in depth studies on the Gospel of John written by the man who describes himself as a conservative evangelical demonstrate that the application of the critical method to an understanding of scripture need not rule out an acceptance of inspiration Dr Morris is here concerned with the authorship of the fourth Gospel its relation to the Synoptists the origin and date of writing and with other similar issues To his discussion of these issues he brings both his impressive scholarship and firm commitment to the revelatory nature of the Bible The result is an informed and articulate statement of the conservative position on the many crucial questions raised by John's Gospel In his Preface to this volume Dr Morris notes that Critical Protestant scholars and Roman Catholics are reading one another's works and discussing one another's writings with charity and mutual profit Perhaps it is not too much to hope that both will include the conservative evangelicals within the scope of their reading and

charity In the hope that it will make some small contribution to the continuing dialogue this book goes forth **The Fourth Gospel Its Purpose and Theology** E F Scott, T and T Clark, 2023-07-18 E F Scott's seminal work explores the purpose and theology behind the fourth gospel shedding new light on this important text A must read for scholars of religion and anyone interested in understanding this book's place in the biblical canon This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Fourth Gospel** Robert Harvey Strachan, 1920 **John** Stephen S. Smalley, 2012-06-26 The Gospel of John has long been a favorite of the church But the distinctive voice of John in the quartet of evangelists has beckoned modern scholars to a closer investigation Although a better profile of the Fourth Gospel's setting structure and theology has been gained a dossier of suspicions and allegations regarding the Gospel's historical lineage and the veracity of its Jesus traditions has attached its reputation In this fully revised edition of his well established study of John Stephen Smalley reviews and evaluates all the significant issues and critical problems of recent Johannine interpretation He argues for the unique integrity of this Gospel a work firmly rooted in the historical Jesus and yet drawing out the deeper significance of Jesus words and deeds **The Johannine Exegesis of God** Daniel Rathnakara Sadananda, 2004 Johannine Exegesis of God is a stimulating study of the explicit and implicit theological language of the Johannine community It exegetically explores crucial questions concerning the Fourth Evangelist's language used to characterize God It makes a sojourn into the relationship between Johannine Christology and Theology It examines the dialogue dynamics of a theological conversation between those who do not share the same theological affirmations and enumerates how the Johannine community derives benefit becomes enriched and learns inclusiveness through its dialogue conflict with its pluralistic environment In approaching and interpreting the Gospel narrative the implications of Theology in the Johannine community's struggle for legitimacy identity and existence become clear The Theology of the Johannine community shows a creative dialect with its sociological context and its experiential theologising makes its theological language authentic clear and precise **Anatomies of the Gospels and Beyond**, 2019-01-28 Anatomies of the Gospels and Beyond is an edited volume structured around essays that focus on one of the four canonical Gospels and Acts and or theoretical issues involved in literary readings of New Testament narrative The volume is intended to honor the legacy of R Alan Culpepper Emeritus Professor and Former Dean at Mercer University's McAfee School of Theology The title of the volume which alludes to the title of Culpepper's ground breaking monograph Anatomy of the Fourth Gospel and the breadth of the essays are apt reflections of his research interests over his academic career of over

monotheistic Judaism to understand his capacity to align Jesus with God Third the crucial issue of the Jews in John where North clarifies the data by observing a narrative logic in John s use of the expression Fourth North identifies John s anticipated eschatology as a consolation strategy aimed at a readership struggling under life threatening circumstances in the absence of Jesus Finally North looks at John and the Synoptics and demonstrates how evidence drawn from the Gospel itself can serve to indicate whether or not John composed directly on the basis of the Synoptic record This collection draws together a number of ground breaking studies from over thirty years of work on the Fourth Gospel presenting a coherent development of thought on this crucial Christian text
