Beetle Bailey Whats The Joke:

What's the Joke, Beetle Bailey Mort Walker,1991 **Beetle Bailey Joke Book** ,1982 *The Untold Help of Harmful Visual Jokes* Mary Gregg,2023-09-05 This book argues that when visual jokes are harmful they harm in a specific way a subject s personhood is revoked in a way that differs both in kind and degree depending on whether that person is depicted or described Such revocation can occur in every role and any stage within the joke s context from character to audience member from moment of depiction to uncritical exposure Unlike a mere unhumorous insult which doesn t require the sympathy of its audience but can operate solely between the target and the bully a joke requires a particular kind of response from its audience to complete itself to deliver which requires not only some degree of complicity from audience members but a complicity earned at the expense of the joke s referent This book shows how we need not prevent the occurrence of these things in order to undermine their oppressive power we only need the right kind of recontextualization turning those utterances into jokes or turning those jokes against themselves Unlike other forms of visual oppression the harms contained within visual jokes can be reconfigured to affirm those they were created to harm changing their function from jokes which attack others to jokes which attack themselves empowering those they were created to target by calling into question the problematic conceptions of audiences who are sympathetic to the harmful joke s initial formulation *Life's a Joke* Dr. J.
