Behind Iranian Lines:

Behind Iranian Lines John Simpson, 1989 Broadcaster writer gives a vivid picture of life in Iran

Behind Iranian Lines : Despatches from Khomeini's Iran Michael Simpson, 1988

The Unthinkable Revolution in Iran Charles Kurzman, 2005-09-06 The shah of Iran Mohammad Reza Pahlavi would remain on the throne for the foreseeable future This was the firm conclusion of a top secret CIA analysis issued in October 1978 One hundred days later the shah despite his massive military fearsome security police and superpower support was overthrown by a popular and largely peaceful revolution But the CIA was not alone in its myopia as Charles Kurzman reveals in this penetrating work Iranians themselves except for a tiny minority considered a revolution inconceivable until it actually occurred Revisiting the circumstances surrounding the fall of the shah Kurzman offers rare insight into the nature and evolution of the Iranian revolution and into the ultimate unpredictability of protest movements in general As one Iranian recalls The future was up in the air Through interviews and eyewitness accounts declassified security documents and underground pamphlets Kurzman documents the overwhelming sense of confusion that gripped pre revolutionary Iran and that characterizes major protest movements His book provides a striking picture of the chaotic conditions under which Iranians acted participating in protest only when they expected others to do so too the process approaching critical mass in unforeseen and unforeseeable ways Only when large numbers of Iranians began to think the unthinkable in the words of the U S ambassador did revolutionary expectations become a self fulfilling prophecy A corrective to 20 20 hindsight this book reveals shortcomings of analyses that make the Iranian revolution or any major protest movement seem inevitable in retrospect

Behind the 1953 Coup in Iran Ali Rahnema, 2014-11-24 Ali Rahnema s work is a meticulous historical reconstruction of the Iranian coup d tat in 1953 that led to the overthrow of Mohammed Mosaddeq and his government Mosaddeq s removal from power has probably attracted more attention than any other event occurring during his tenure because of the role of foreign involvement the political economic and social impact on Iran and the long term impact the ousting had on Iran US relations Drawing on American British and Iranian sources Rahnema closely examines the four day period between the first failed coup and the second successful attempt investigating in fine detail how the two coups were conceptualised rationalised and executed by players on both the Anglo American and Iranian sides Through painstaking research into little studied sources Rahnema casts new light on how a small group of highly influential pro Britain politicians and power brokers revisited the realities on the ground with the CIA operatives dispatched to Iran and how they recalibrated a new and ultimately successful operational plan

Iran at War Kaveh Farrokh, 2011-12-20 Following on from his award winning book on the history of ancient Persia Kaveh Farrokh goes on to examine Iran s wartime history from the Safavid dynasty of the 16th and 17th century through to the 1979 Revolution and beyond He shows how the early military successes were followed by centuries of defeat as the external influences of nations like Russia and Britain began to shape the internal history of Iran before unraveling the complex violent 20th century military

history of the country which encompasses two world wars regional movements foreign intervention anti government revolts conflicts on the Soviet border a revolution and an eight year war with Iraq Illustrated with contemporary illustrations and photographs this book provides an unparalleled investigation into the bloody martial history of Iran

Iran's Unresolved Revolution Mark Downes,2018-02-05 This title was first published in 2002 As Iran enters into the third decade since the 1979 revolution the prospect of socio political unrest remains ever present Iran s political structure its version of Islamic governance and the role of pluralism across all aspects of Iranian society are being questioned openly and defiantly What this will mean for the future of Iran s theological system of governance and its current social structure remains to be seen This work examines the roots of Iran s current unrest in the context of the post revolutionary social and political structure and the goals and aspirations of the 1979 revolutionaries It provides in depth commentary on contemporary Iranian society and the Islamic movement emerging from Khomeini s interpretation of Islamic governance and gauges the response of Iran to the pragmatic realities of the international system Readers in Islamic studies international studies and Middle Eastern politics both at undergraduate and postgraduate levels will find this book an invaluable tool

The Iran-Iraq War Nigel John Ashton,Bryan R. Gibson,2013 This volume offers a wide ranging examination of the Iran Iraq War 1980 88 featuring fresh regional and international perspectives derived from recently available new archival material Three decades ago Iran and Iraq became embroiled in a devastating eight year war which served to re define the international relations of the Gulf region The Iran Iraq War stands as an anomaly in the Cold War era it was the only significant conflict in which the interests of the United States and Soviet Union unwittingly aligned with both superpowers ultimately supporting the Iraqi regime The Iran Iraq War re assesses not only the superpower role in the conflict but also the war s regional and wider international dimensions by bringing to the fore fresh evidence and new perspectives from a variety of sources It focuses on a number of themes including the economic dimensions of the war and the roles played by a variety of powers including the Gulf States Turkey France the Soviet Union and the United States The contributions to the volume serve to underline that the Iran Iraq war was a defining conflict shaping the perspectives of the key protagonists for a generation to come This book will be of much interest to students of international and Cold War history Middle Eastern politics foreign policy and International Relations in general

The Iran-Iraq War Stephen C. Pelletière,1992-03-30 This book is a major reinterpretation of the Iran Iraq War and is a source for reexamining the U S involvement in the Gulf Pelletiere demonstrates that the war was not a standoff in which Iraq finally won a grinding war of attrition through luck persistence and the use of poison gas Instead Iraq planned the last campaign almost two years prior to its unfolding The Iraqis trained extensively and expended enormous sums of money to make their effort succeed What won for them was their superior fighting prowess and greater commitment Gas if it was used at all played only a minor part in the victory Pelletiere concludes that the key to understanding the war is the Extraordinary Congress of the Ba th Party held in July 1986 It was there that the initial planning for the final campaign

was done and this campaign is what decided the fate of the conflict The study centers around the last Iraqi campaign which Pelletiere argues was based upon World War II blitzkrieg tactics but he also treats the background the politics and the history of the conflict and analyzes the significance of the war to the Middle East and to the position of the United States there *The Shahnama of Shah Tahmasp* Sheila Canby,2014-04-29 The publication of this book commemorates the one thousandth anniversary of the completion of the Shahnama the Persian national epic which was written down in more than 50 000 couplets by the poet Firdausi It also celebrates the most lavishly illustrated version of this text a manuscript produced for the Safavid Shah Tahmasp who ruled Iran from 1524 to 1576 Director s Foreword p 7 Iran ,1998 *Summary of World Broadcasts* British Broadcasting Corporation. Monitoring Service,1982 **Country Report** ,1987 **History Behind the Headlines** ,2002 Provides background information on long term ethnic religious political territorial and economic conflicts between nations today *The Political History of Modern Iran* Mehran Kamrava,1992 This book offers a concise and comprehensive examination of Iran s political history from the establishment of the Qajar dynasty in 1785 until the present It focuses on both the historical evolution of Iranian political institutions as well as on the processes and phenomena to which these institutions have been exposed Since politics do not occur within a culturally vacuous context attention is also drawn to the dominant characteristics of Iran s political culture from tribalism and religion to the cult of personality and political demagoguery that have similarly shaped political life in Iran Such characteristics have acquired added accent under the revolutionary regime of the Islamic Republic although the revolution s gradual routinization has once again brought about a measure of political normalcy Attention is drawn to the persistence of specific political dynamics that have proven to be particularly resilient throughout Iran s recent history Throughout the reigns of the three regimes governing Iran since the eighteenth century the Qajars the Pahlavis and the Islamic Republic radically different from one another as they have been the three themes of political autocracy foreign intervention and revolution have remained **the religious quest of india** j.n. farquhar,1923 *The Religion of the Rigveda* Hervey De Witt Griswold,1923 **The Religion of the Iranian Peoples, Part I** Cornelis Petrus Tiele,1912 *The Religion of the Iranian Peoples (from the German)*. Behind Iranian Lines Introduction

In the digital age, access to information has become easier than ever before. The ability to download Behind Iranian Lines has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Behind Iranian Lines has opened up a world of possibilities. Downloading Behind Iranian Lines provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Behind Iranian Lines has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Behind Iranian Lines. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Behind Iranian Lines. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Behind Iranian Lines, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Behind Iranian Lines has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
