Behind Those Doors:

Behind the Door Mary SanGiovanni, 2018-08-28 Occult specialist Kathy Ryan returns in this thrilling novel of paranormal horror from Mary SanGiovanni the author of Chills Some doors should never be opened In the rural town of Zarepath deep in the woods on the border of New Jersey and Pennsylvania stands the Door No one knows where it came from and no one knows where it leads For generations folks have come to the Door seeking solace or forgiveness They deliver a handwritten letter asking for some emotional burden to be lifted sealed with a mixture of wax and their own blood and slide it beneath the Door Three days later their wish is answered for better or worse Kari is a single mother grieving over the suicide of her teenage daughter She made a terrible mistake asking the powers beyond the Door to erase the memories of her lost child And when she opened the Door to retrieve her letter she unleashed every sin secret and spirit ever trapped on the other side Now it falls to occultist Kathy Ryan to seal the door before Zarepath becomes hell on earth Praise for the novels of Mary SanGiovanni A feast of both visceral and existential horror F Paul Wilson on Thrall Filled to the brim with mounting terror Gary A Braunbeck on The Hollower A fast building high tension ride James A Moore on The Hollower
