**Quality Shareholders** Lawrence A. Cunningham, 2020-11-03 Anyone can buy stock in a public company but not all shareholders are equally committed to a company's long term success In an increasingly fragmented financial world shareholders attitudes toward the companies in which they invest vary widely from time horizon to conviction Faced with indexers short term traders and activists it is more important than ever for businesses to ensure that their shareholders are dedicated to their missions Today's companies need quality shareholders as Warren Buffett called those who load up and stick around or buy large stakes and hold for long periods Lawrence A Cunningham offers an expert guide to the benefits of attracting and keeping quality shareholders He demonstrates that a high density of dedicated long term shareholders results in numerous comparative and competitive advantages for companies and their managers including a longer runway to execute business strategy and a loyal cohort against adversity Cunningham explores dozens of corporate practices and policies such as rational capital allocation long term performance metrics and a shareholder orientation that can help shape the shareholder base and bring in committed owners Focusing on the benefits for corporations and their investors he reveals what draws quality shareholders to certain companies and what it means to have them in an investor base This book is vital reading for investors executives and directors seeking to understand and attract the kind of shareholders that their companies need

Investors are always on the look out for new opportunities. This special digital report from Morningstar's Paul Larson, equities strategist and Morningstar StockInvestor editor, reveals 10 lesser-known companies worth investigating. Everyone knows about Coca-Cola. But how many investors know how to seek out the next Coca-Cola? With this timely report, Morningstar's Larson shares some of his favorite investing gems and introduces you to some great companies you've probably never heard of. Includes an introduction that discusses how Larson selected these companies. Contains individual company analysis written by the Morningstar analyst that covers that respective company. Provides relevant statistics to the investment decision: fair value, price P/E, and much more. Smaller companies can hold great promise. And Morningstar's guide provides the insight and research you need to invest wisely. [Morningstar Stocks 500, Custom Edition 2004](#) In Morningstar, 2004-01-23 Morningstar Stocks 500 Custom Edition provides readers with one-page reports which contain the essential information investors need to understand a company and its stock. In addition, each page summarizes what the company does, how its past growth has stacked up versus peers, how high its profitability has been, and how strong its finances are. The book also includes exclusive Morningstar tools, such as star ratings for stocks, stock grades, and an in-depth analyst report containing the company's view of the stock. As the market begins to get its footing, investors will be returning cautiously. They will be seeking good quality, independent advice, and Morningstar Stocks 500 Custom Edition will fill this need.
