

United States History

Students study how the United States became a nation. They learn about the early years of the country and how it grew into the nation we know today.

Students in period dress during a historical reenactment.

The early years of the United States were a time of great change and growth. The country was still a young nation, and its people were working to build a new society.

As the United States grew, it became a more diverse and complex nation. People from different backgrounds and cultures came to live in the United States, and they brought with them their own traditions and ways of life.
