Easter Bunny Bus Wanda Meets, 2021-01-22 This is a humorous story about a rebellious young bunny Jeremy He pranks everyone which ends up getting him suspended This happens before the biggest event of the year where they will get on a bus and on Easter deliver the eggs to all the houses in town In a spontaneous fit he ends up on top of the bus that is hi jacked by Jack the Jackal With his heroic actions he saves the bus full of bunnies Unfortunately while the bus swiveled through town the eggs were thrown off the bus into the gardens This lead to traditional Easter egg hunting and the turn of events where a little bunny changed his life around Jeremy went from being rebellious to wanting to prove he is not as bad as everyone thinks He managed in the end to make something of his life and a difference in others **The Way the Crow Flies** Ann-Marie MacDonald, 2011-07-27 The sun came out after the war and our world went Technicolor Everyone had the same idea Let s get married Let s have kids Let s be the ones who do it right The Way the Crow Flies the second novel by bestselling award winning author Ann Marie MacDonald is set on the Royal Canadian Air Force station of Centralia during the early sixties It is a time of optimism infused with the excitement of the space race but overshadowed by the menace of the Cold War filtered through the rich imagination and quick humour of eight year old Madeleine McCarthy and the idealism of her father Jack a career officer Ann Marie MacDonald said in a discussion with Oprah Winfrey about her first book a happy ending is when someone can walk out of the rubble and tell the story Madeleine achieves her childhood dream of becoming a comedian yet twenty years later she realises she cannot rest until she has renewed the quest for the truth and confirmed how and why the child was murdered Publishers Weekly in a starred review called The Way the Crow Flies absorbing psychologically rich a chronicle of innocence betrayed With compassion and intelligence and an unerring eye for the absurd as well as the confusions of childhood MacDonald evokes the confusion of being human and the necessity of coming to terms with our imperfections **Brooklyn, the Way I Remember It** George DeLorenzo, 2016-03-18 This story takes the reader

on a journey of how growing up in an Italian family in a predominantly Italian neighborhood within the protective glow of the boy's family and the local Mob bosses as well as learning how to survive in the streets of the East New York section of Brooklyn forms the character of a young man. The era of racism, the dawning of rock and roll music, and an angelic visit are all events that helped shape the man as he is today. The story demonstrates how all of these events affected the writer personally and deeply. The reader is engrossed by the struggle of the boy trying to heed the morals and values instilled by family and church, keeping those intact while attempting to balance them with societal demands and the clash of surviving the mean streets of Brooklyn.

Mainlining Christianity Reverend Thomas F. O'Donnell, 2006-02-23. Moderate and liberal Christians Unite. Reclaim Jesus from the evangelical Christian right. Imagine a faith tradition divided up into literally thousands of denominations based on such silly things as organizational structure, how many bishops can you fit on the head of a needle, or theological differences such as whether baptism is to be done by dunking or by sprinkling, or whether or not the bread and the cup are actually transformed into the body and blood of Christ during the Lord's Supper, the doctrine of transubstantiation. Imagine that even within a single denomination of this faith tradition, those who profess to share the same faith have diametrically opposed views on the nature of God, the source of salvation, the nature of sin, the meaning of scripture, the relationship of Science and Religion, of Reason and Faith, of Truth, Certainty and Doubt. Imagine further that they cannot even agree on the nature and/or message of the man upon whom their religion is founded. Finally, imagine that a vocal minority of these diametrically opposed views is dominating the public airwaves, while the silent majority remains hunkered down in the hallowed halls of their sanctuaries. While the message of this vocal minority is embraced by a few in search of simple answers, imagine that the masses of unchurched, de-churched, under-churched, never been churched, fed up with church, are turned off and are walking away in droves. Unfortunately, there is no need to imagine any of this. It is happening right here, right now, in the United States of America. The faith tradition is called Christianity. The vocal minority that is dominating the bully pulpit of public opinion is the evangelical Christian right, and the silent majority are moderate and liberal Christians everywhere. Mainlining Christianity is a call to Christianity's silent majority to stand up and speak out and to join in a New Reformation. Through the vehicle of 95 Theses for the 21st Century, the book is divided into eight separate sections: Religion, Christianity and Worldviews, Truth, Certainty, Doubt, Fear, Faith, Physical Truths, In Search of a Theory of Everything, T O E Spiritual, Scriptural, Literal and Mythical Truths, In Search of the Logos, From Jesus the Man to Jesus the Christ, In Search of the Logos, Jesus and the Love Ethic, Interfaith, Interconnectedness and the Logos, The Logos Intersects with the T O E, God Is LOVE. Within each section is a series of messages designed to offer a practical theological roadmap to just such a Reformation. Moderate and Liberal Christians Unite. Reclaim Jesus from the evangelical Christian right. <http://www.reclaimjesus.net>
