Easter Fun:

The Last Chapter Gene Amole, 2002 Denver's beloved columnist Gene Amole stunned readers of the Rocky Mountain News in October 2001 when he announced in his column that he was dying. He passed away six months later just shy of his 79th birthday. This book presents Amole's powerful poignant and first person account of his last days. **Redemption Joy** Sukadi, Lilyana Margaretha, 2025-03-20 Many children know the stories of Christmas and Easter but do they truly understand the life changing message of the gospel. Redemption the final book in the Bible Comes to Life series invites families to journey through the story of salvation while exploring historical and archaeological evidence that supports the Bible's claims. What Will Children Learn In this book families discover the truth of Jesus' life, death and resurrection and why His story matters today. Children learn how faith and evidence work together to reveal the power of the gospel. Key questions explored include: How can I be made right with God? Was Jesus a real historical figure? Why did God become human? How do we know Jesus truly died on the cross and rose again? Who is the Holy Spirit and what role does He play in our lives? Engaging Activities for Deeper Learning. Redemption combines interactive experiences with powerful storytelling. Activities include Science experiments that illustrate spiritual truths, Creative crafts and object lessons to reinforce biblical principles, Archaeological evidence supporting biblical events, Discussion questions to spark meaningful family conversations. Perfect For Christian families, Homeschoolers, Sunday school teachers, Bible study groups. Redemption isn't just another Bible storybook; it's a faith building experience that introduces children to Christian apologetics. This book helps kids internalize the gospel, strengthen their faith and grow in their ability to defend their belief in Jesus Christ using logic, evidence and Scripture. Equip your child to stand firm in their faith. Get Redemption today. Schram, 2008-11 I had the career of a lifetime. I was a teacher. I began my teaching career believing that one person could make a difference and throughout the years I never lost sight of that conviction. Teaching connected me to my students in ways quite humorous as well as heart breaking. I hope the reader laughs a lot and cries only a little while walking in my footsteps as an educator. Laugh with me as you read about Fred the crusty cockroach we set free to find his wife and eighty seven children. In addition there is always my favorite story about the scary monster under the bed holding a student's homework hostage. I fed a rooster and his hens bread crumbs for breakfast each morning until they tried to follow me in single file into the school board building one day. Some difficult students in summer school mistakenly believed my black patent leather belt to be a black belt in Karate. Who was I to tell them differently? Coming right on top of the laughs were the times I went home to cry. I remember the student

new to our school who went home one evening and hung himself his cries for help coming too late I remember with equal sadness the foster child we sponsored in Kenya who died because help did not reach him in time Closer to home was the overage student who was shot and killed while he participated in a home invasion just days after he finished summer school Outside factors reached inside our classroom as well reeking havoc with the emotions of both the children and me The disastrous space shuttle with the teacher on board happened before our very eyes while the greatest tragedy of all was the destruction of the twin towers on 9 11 These stories and many more comprise my educational career and although there was no easy button I would do it all over again I was a teacher
