Easter Vigil:

Journey of Faith for Easter and Pentecost JENNI VANKAT. MARY SHRADER, Mary Shrader, 2006-03 Make Easter and Pentecost meaningful for young people Help them experience the joy and celebration of the Easter season and cheerfully proclaim Alleluia He is risen Bring the Scriptures alive and give young adolescents creative ways to explore pray and reflect on the salvation story so they are able to focus on the profound mystery of God among us The leader s guide has nine faith sessions as well as an extended session to help young people enter fully into the expectation and the joy of the Easter and Pentecost seasons In addition to its fully developed sessions this guide has strategies for encouraging real participation in the liturgical and community life of the parish as it ritualizes and celebrates the Easter season

The Historical Development of the Easter Vigil and Related Services in the Greek Church Gabriel Bertonière, 1972 Preacher of Grace Anthony Dupont, 2014-07-17 Augustine of Hippo 354 430 became known as the doctor of grace He developed his theory of divine grace mainly in his systematic treatises directed against the Pelagians ca 411 430 Did he however also preach about this complex and at first sight demoralizing issue in his sermons to the people In his previous book BSCH 59 Anthony Dupont studied the profile of the treatment of gratia in the anti Pelagian sermones ad populum In a Preacher of Grace Dupont offers an account of the presence of the theme of grace in Augustine s sermones not situated in the Pelagian controversy He first studies sermons preached on important liturgical feasts which belong to the non polemical pastoral preaching genre They are distributed throughout the 40 years of Augustine s preaching activity and are Christological in content and moralising in intention Secondly he examines sermons situated in the Donatist controversy preceding the anti Pelagian sermons chronologically and differing from them in terms of content This research provides a global picture of the presence and treatment of gratia in Augustine s sermones and clarifies the interaction between context audience and preaching genre on the one hand and the theme of grace as a whole on the other It also contributes to the debate on discontinuity in Augustine s thought on grace

The Jewish Pesach and the Origins of the Christian Easter Clemens Leonhard, 2006 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus The thesis that the Christian Easter evolved as a festival against a Jewish form of celebrating Pesach in the second century and that the development of Easter Sunday is dependent upon this custom is endorsed by the author s close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in the Palestinian Targum Tradition the structure of the Easter vigil
