Eastern Europeans

Larry Wolff

Eastern Europeans:

From Peoples Into Nations John Connelly, 2022-01-25 This book is a history of East Central Europe since the late eighteenth century the region of Europe between German central Europe and Russia in the East Connelly argues the region for which it is frequently hard to define exact boundaries and which is sometimes treated country by country in a way seemingly separate from the broader trends of European history was one of shared experience despite most of the peoples being divided by linguistic geographic and political barriers Beginning in the 1780s an unwitting Habsburg monarch Joseph II decreed that his subjects would use only German as he hoped to mold a common nationality using German over the disparate subjects Instead he unleashed the energies and struggle for the emergence of new nations that pitted small peoples armed with an idea against empires The author argues that the underlying national self assertion which emerged under imperial rule in the eighteenth and nineteenth centuries shows deep connections to subsequent histories to the creation of nation states of the regions after World War I the failure of democratic rule in these states during the interwar years the submersion of the region under Nazi then Soviet rule after 1939 and to the reinvention of sovereign states and then the break up of two of them after 1989 The book interconnects major themes and country histories for first time chronicling this diverse region over many generations from the time of Joseph through democratic and socialist revolutions genocide and Stalinism through civil society movements struggling for liberal democracy into our own day when illiberal politicians come to power by exploiting very old fears

The Unknown Europe James R. Payton, 2021-11-03 The fascinating history of Eastern Europe includes highs of soaring cultural achievement and lows of almost unimaginable repression But we in the West don't know much about Eastern Europe or its history this book helps us see why We got interested when the region became a threat during the Cold War but what we learned focused on the Communist period after World War II not Eastern Europe itself or its deep history a history that continues to live in the hearts of its peoples James Payton offers an accessible treatment of the history of the region an opportunity to learn about Eastern Europeans as they are He overviews that story from pre history to the present examining eleven turning points that profoundly shaped Eastern European history His treatment considers the backgrounds to the turning points the events and the long lasting impacts they had for the various Eastern European nations This helps us understand how Eastern Europeans themselves see their history the long haul over the centuries with the influence and impact of events of the sometimes distant past shaping how they see themselves their neighbors and their place in the world

Ethnicity in Eastern Europe Sue Wright, Helen Kelly, 1994 This book examines the dynamic role that language plays as a unifying factor in maintaining and reinforcing national identity in Central and Eastern Europe in the post communist period when new nation states were formed It covers linguistic identity linguistic exclusion or inclusion languages in contact and languages in conflict

Eastern Europe ... ,1919 Eastern Europe Between the Wars, 1918-1941 Hugh Seton-Watson,1945

Central and Eastern Europe Mary E. Lassanyi,1995-02 A special reference brief covering the countries of Eastern and Central Europe Includes bibliographic references to both books and journal articles Also includes directory information such as contacts trade organizations trade fairs and more
From Da to Yes Yale Richmond,1995 This work forms a complete guide to Eastern Europe s nations in the modern day their similarities and differences from one another and their connections to the West Education Teaching
Fairy Tales of Eastern Europe Jeremiah Curtin,1914 *Eastern Europe to the French Revolution. Western Europe in the Middle Ages* Arthur Mee,1909 Background to Eastern Europe F. B. Singleton,2013-10-22 Background to Eastern Europe provides a historical overview of Eastern Europe The book is comprised of seven chapters that detail several turning points in Eastern Europe history The text first discusses the geography climate society and economy of Eastern Europe Next the title provides a historical survey of Eastern Europe which covers the growth of multi national empires and nationalist movements The next two chapters talk about major conflicts in Eastern Europe history The remaining chapters deal with contemporary Eastern Europe The book will be of great use to individuals who have a keen interest in the historical trend of Eastern Europe
Inventing Eastern Europe Larry Wolff,1994 Wolff explores how Western thinkers contributed to defining and characterizing Eastern Europe as half civilized and barbaric Ethnic Groups and Population Changes in Twentieth Century Eastern Europe Piotr Eberhardt,Jan Owsinski,2015-07-17 This unique reference traces the changing borders and ethnic balances that characterized the history of Eastern Europe during the twentieth century After a preliminary overview the book divides Eastern Europe into five regions from the Baltic to the Balkans and closely analyzes the ethnic structure of each region s constituent units over time Summary chapters at the end of the volume present a comprehensive ethno demographic portrait of the region at the start of the century between the two world wars and from the post World War II period to the century s end The volume is richly illustrated with more than sixty figures hundreds of tables and multi lingual indexes of place names and ethnic groups
National Minorities in Eastern Europe, 1848-1945 Raymond Pearson,1983
Monthly Catalog of United States Government Publications ,1990

Eastern Europe James Riordan,1987 Discusses the climate geography history governments culture social life and customs of the eighth socialist countries making up Eastern Europe *East European Nationalism, Politics and Religion* Peter F. Sugar,1999 The multi national region of Europe situated between the German speaking lands and those of the former Soviet Union has witnessed various forms of nationalism over the last 200 years This book seeks to explain these Eastern European nationalisms
The Early Slavs Pavel Dolukhanov,2014-07-10 The history of the early Slavs is a subject of renewed interest and one which is highly controversial both politically and historically This pioneering text reviews the latest archaeological and other evidence concerning the first settlers their cultural identities and their relationship with their

modern successors Dr Dolukhanov explores the various historiographical debates before offering his own interpretations
Jews in Eastern Europe ,1959
