The Quest for the Eastern Cougar Robert Tougias, 2011-08-26 Is There This Beast In Our Midst What is it about cougars Why does this phantom of the eastern woods stimulate such passion among so many people For decades wildlife biologists have been telling us that they do not exist east of the Mississippi and yet each year there are hundreds of people claiming to have seen one Is there any truth to these claims or are they misidentifications wishful thinking or tall tales Nature writer Robert Tougias journeys deep into the world of the cougar and into the reasoning of those that believe they exist and those that do not The Quest For The Eastern Cougar Extinction or Survival is an informative voice of reason that quiets the confusion regarding the powerful predator It tells us about the cat's historic demise and alleged
