6

Document Communication and Concerns

Keep records of important discussions that you have with parents. Consider using a communication log to document the date, time, purpose, and outcome of each parent interaction.

8

1

Use Technology Tools

3

Seek Input from Parents

5

Think about Language and Accessibility

Ensure that your communications are accessible to all parents. If needed, find translation services, like [Google Translate](#) or [Canva's Translations app](#) to bridge language barriers.
