

Introduction to the History of the United States

The history of the United States is a complex and multifaceted story that has shaped the nation's identity and values. This course will explore the key events, figures, and movements that have defined the American experience from its founding to the present day.

The course is divided into several sections, each focusing on a different period of American history. The first section covers the early years of the nation, from the founding of the country to the end of the Civil War. The second section focuses on the Reconstruction era and the rise of the Gilded Age. The third section explores the Progressive Era and the early 20th century. The fourth section covers the mid-20th century, including the Cold War and the Civil Rights Movement. The final section discusses the late 20th century and the present day.
