exterminated or liquidated informers torturers and other Norwegians who worked for the Germans The post war period of war history is fascinating yet has been mostly concealed In this short novel written in 1948 by my stepfather Max Manus a well known resistance fighter it tells a story of the Rat Catchers At the centre is Max s alter ego Freddy and a group of veterans They try to find love and their place in society but drown out the bad memories from the days of war in different ways We actually know quite a lot about my stepfather Max Manus as early as 1945 he published *Det vil helst g godt* followed by *Det blir alvor* in 1946 and in 1995 *Mitt liv My Life* was published In addition the book *Tikken* which is about my mother was published in 2009 Max s war books were a success He himself claimed that only the Bible sold more in the post war years People were keen to know what kind of life the boys really lived during the war In 2008 the film *Max Manus* became a blockbuster and the most watched movie in Norway It was directed by Joachim and Espen Sandberg *Pirates of Caribbean Maleficent Mistress of Evil Kon Tiki Bandidas* It shows authentically as my mother confirmed what the atmosphere was like during the war and what role Max had played The story told in *The Rat Catcher Rottejegeren* in Norwegian is from the years immediately after the war and we assume that Max wrote it in 1948 After all he felt he had proven to himself and the world that he could write His joint company Clausen Manus did not demand too much from him so in 1953 he started his own company Max Manus Kontormaskiner supplier of office machines
