Derek Cross:

Beautiful Masterpiece Lilly Lain, 2015-10-26 Fifteen years ago Derek and his brother Damien were orphaned and homeless left to beg on the street off Chicago The one lucky break they got brought them billions and at thirty five years old Derek is determined to keep it all Until the day he meets Miranda a beautiful sexy young woman working as a maid in his newly acquired beach resort in the island paradise of Barbados Miranda literally fell in to his arms and he never wanted her to leave but like all good love stories tragedy must strike Miranda Perry grew up under the protective wings of her father a naval officer in the US army after her mother died from a gunshot to the heart in a grocery store rubbery he retired and moved them to his parents beach house in Barbados Now she was twenty four years old and life could not get any better well thats what she thought until she fell in love with Derek Cross a steamy hunk who worked for her new boss Everything was right in his arms until she woke up and found him gone without so much as a goodbye he did however leave her with a piece of him she could not forget *Headline Murder* Peter Bartram, 2015-08-28 It s August 1962 and Colin Crampton the Brighton Evening Chronicle s crime reporter is desperate for a front page story But it s the silly season for news and the only tip off Crampton has is about the disappearance of the seafront s crazy golf proprietor Arnold Trumper Crampton thinks the story is about as useful as a set of concrete water wings But when he learns that Trumper s vanishing act is linked to an unsolved murder he scents a front page scoop Powerful people are determined Crampton must not discover the truth But he is quite prepared to use every newspaper scam in the book to land his exclusive The trouble is it s his girlfriend feisty Australian Shirley who too often ends up on the wrong end when a scam goes wrong Crampton has to overcome dangers they never mentioned at journalism school before he writes his story *Headline Murder* will keep you guessing and smiling right to the last page *The Romance of a Red Cross Hospital* Frank Frankfort Moore, 1915 *An Island of Eden* Bertram Mitford, 1913 **Heartland** Neil Cross, 2015-01-27 From the creator of *Luther* Told with absolute veracity and unsparing candor *Heartland* is the memoir of an isolated little boy and the brutish stepfather he couldn t help but love When Neil Cross was born his mother suffered from severe postpartum depression and later admitted to trying to kill herself and her baby son Then when he was five she went out and didn t come back leaving behind her children and their heartbroken father Two years later she returns and gains custody of Neil taking him to live with her new partner Derek Cross who showers him with attention and love in a way that Neil has never known Derek teaches him about music and books he is patient but firm and more reliable than Neil s mother But as Neil grows older he realizes his stepfather is more complicated than he seems For all his love Derek is a manipulator an adulterer a racist and a con man And he is the father whom Neil now loves With devastating honesty Neil Cross explores the circumstances of this love one of pleasant rewards but consequences too dire to predict **The Collected Works Volume Two** Neil Cross, 2018-08-07 Two taut psychological thrillers and a gripping memoir from the creator of the hit BBC crime series *Luther* and a master of suspense Daily Mirror The PEN Ackerley Prize

shortlisted author and creator of Luther starring Idris Elba British author Neil Cross is an astonishing writer tautly lyrical and able at a stroke to fill you with cold dark fear of the malign forces at large in the world whether writing fiction or memoir Time Out London In this collection Cross unflinchingly explores the dark side of parenting and family drama in ways equally startling and unforgettable Always the Sun Longlisted for the Man Booker Prize Looking for a fresh start after the death of his wife Sam and his thirteen year old son Jamie return to Sam s hometown But at his new school a group of kids led by a savage bully target Jamie and the administration does nothing When Jamie comes home bearing real physical scars Sam is left at a crossroads How far will he go to protect his child Harrowing but gripping Time Out London Natural History In a last ditch attempt to save their floundering marriage Patrick and Jane founded an animal sanctuary called Monkeyland But following the mysterious death of an ape Patrick becomes obsessed while Jane s in Zaire shooting a nature show and possibly cheating and their son gets fired after an altercation As a predatory cat stalks the periphery of the dilapidated zoo Jane and Patrick s search for wild beasts blinds them to the danger in their own backyard A masterpiece seductively readable no matter how much one dreads what may happen next The Daily Telegraph Heartland Shortlisted for the PEN Ackerley Prize In this wonderful memoir Neil Cross tells the complicated story of his relationship with his stepfather Derek Cross showers his young stepson with attention and love teaches him about music and books and is more reliable than Neil s emotionally unstable mother But as Neil grows older he realizes the stepfather he loves is also a manipulator adulterer racist and con man The Guardian Moving and engrossing Heartland is a tour de force Daily Mail

Erratic Expressions Derek Cross,2023-05-25 Take a poetic odyssey through expression trauma desire and self discovery Erratic Expressions is a contemplation of how creativity and the arts can be used as a medium for self expression connection and eventual self actualization In this poetic tour de force the author begins with an explicit invitation to actively engage with his contemplations and by extension the author himself Through the journey the poems take a turn to a near hopeless acceptance that things may never change Yet despite all the fear trauma and self hatred the work coalesces into a cathartic resolution of healing and an authentic revelation of self during which the author writes directly to the audience his own mind and various muses and personifications of his desire and demons all the while confronting the dichotomy of wanting to directly connect with people but being unable to do so without the veil of poetry
