## Denis Healey:

**The British Labour Government and the 1976 IMF Crisis** M. Harmon, 1997-11-05 The British Labour Government and the 1976 IMF Crisis examines the external pressures vis vis British economic policy that culminated in the 1976 UK IMF crisis The postwar development of IMF loan conditionality is reviewed as well as the growing incompatibility after 1974 between the Government s domestic political imperatives and Britain s external economic constraints that led to the crisis More generally the case study demonstrates the coercive and constraining nature of international cooperation in contemporary international relations

*The Battle for the Labour Party* David Kogan, Maurice Kogan, 2018-08-16 The Battle for the Labour Party was first published in 1981 and was referenced by Tony Benn in his 1980 1990 diaries as a valuable guide to the developments within the Labour party at this time This 1982 updated edition is an essential resource for all who are interested in understanding the history of the Labour Party from 1973 1982 The continuing power struggle within the Labour Party had raged for decades and had drastic effects on its popularity and credibility At the 1982 party conference the division between the Left and Right sharpened Tony Benn s attempts to get into the shadow cabinet the defection of members to the SDP the Militant inquiry and the Tatchell affair all added to this general disenchantment This 1982 edition accurately describes how these events developed There are two additional chapters which deal with the activities of New Left groups in London boroughs and with the fightback of the Right between the two party conferences Interviews with major figures including Shirley Williams and Roy Grantham shed light on the events of the time There is also more detailed insight into the GLC and events within London For everyone interested or involved in the history of British politics The Battle for the Labour Party provides an insightful and thought provoking account of a fascinating piece of history

**The Labour Party and European Integration** Matthew Broad, William King, 2025-10-21 This edited volume uses a biographical approach to study the multiplicity of views prevalent within the Labour Party on the topic of Britain s approach to European integration Eschewing a binary categorisation of Labour as being split between pro and anti camps the book instead captures the complexity and diversity of ideas on Europe

*Fightback!* Dianne Hayter, 2024-07-30 This book tells the story of how the moderate right in the Labour Party trumped by the left for a decade and weakened by defections to the SDP in 1981 fought back organisationally to regain control of the party by 1985 producing an NEC supportive of Neil Kinnock and ready to expel Militant introduce One Member One Vote and return the party to electability It describes the Manifesto Group of Labour MPs Labour Solidarity Forward Labour and the all important but secret St Ermins Group of senior trade unionists each of which strove to ensure that the party represented Labour voters and trade union members Written by an insider it draws on extensive interviews with all the key players and unique access to private papers and closed archives to explain how the moderates triumphed over the hard left

**Denis Healey** Edward Pearce, 2002 As Chancellor in 1974 1979 Denis Healey met Britain s second greatest financial crisis of the century faced a crashing currency and a visitation of the IMF and brought

the country through with a strengthened currency Inside the Labour Party he fought Tony Benn nominally for the deputy leadership actually for the party s survival as a national force In this biography Edward Pearce argues that Healey a man of intellect and great culture retains the qualities of the soldier he once was loyalty bravery and the ability to face crisis with courage stamina and humor Social Democrats Ken Coates,1983 **The City Record** ,1903 **Hutchinson's Washington and Georgetown Directory** ,1904 **Labour Party Defence Policy Since 1945** Dan Keohane,1993 **A Manual for the Use of the General Court** Massachusetts.
