

Employee Handbook

DOS & DON'TS

DOS

Be clear and concise

Are you sure the language of the handbook is simple and straightforward? If not, make it so. Eliminate unnecessary legal jargon that can only confuse your employees.

Reflect company culture

Let the handbook reflect your organization's culture and values. Use it as another opportunity to reinforce the spirit of your organization and promote your ethics to the workforce.

Update regularly

Update the handbook as needed. Consider the latest changes in company policies, laws, and regulations. Ensure that the information is always compliant and aligns with today's needs.

Include ground rules

Including key policies is a must. What are they? Employment opportunity, anti-harassment, and workplace safety. Don't forget to include these important points!

Set expectations and consequences

While crafting the handbook, be sure you include what you expect from employees. And what's more important - write down or record what will happen if they do not follow these policies.

Be inclusive and respectful

Of course, the handbook is a set of rules and laws, but maintaining a friendly and respectful tone is the key to its success. Another important thing is the language and rules themselves - they should be inclusive of all employees and promote a welcoming work climate.

Ensure accessibility

Make the handbook easy to understand for all employees. Provide different formats to suit different needs, including digital or translations.

DON'TS

Avoid blurred language

Do not use complex terms; they can lead to misunderstandings. Clarity is key to avoiding potential conflicts or misinterpretations.

Don't Overload Information

Avoid too much information in the handbook. Overloading employees with unnecessary details can lead to disengagement.

Avoid inconsistencies

Avoid discrepancies between the handbook and actual company practices. Ensure compliance to maintain credibility and trust.

Don't ignore legal requirements

Don't ignore legal requirements: Avoid excluding mandatory legal rules and guidelines. Compliance with labor laws is critical.

Don't neglect employee feedback

Don't create a handbook in a vacuum. Consider getting a comprehensive view of different departments before passing a handbook to the staff.

Don't overpromise

If the company cannot fulfill some of the commitments (such as the Family and Medical Leave Act) that you mentioned in the handbook, simply do not include them. This can lead not only to dissatisfaction by your workforce but also to legal problems.

Don't forget to consult a legal professional

Before finalizing the handbook, give it to a legal professional who can review it. Make sure that all of its content meets all the required rules and laws. Double-check if needed.

Dos 60 Handbook
