He doesn't know it yet but Nathan is about to have his greatest wish finally fulfilled. Nathan awakens one morning to discover he has become the master of his own universe. He soon realizes he is completely alone on a deserted tropical island unsure of how he arrived how long he has been there or if he is even really there at all. Quickly his nightmarish transcendence into mental and physical survival begins every minute bringing a new and unusual experience. He encounters moments of tranquility and happiness as well as moments of uncertainty and terror. Unexplained events and scattered scenes from Nathan's life begin to play out in random sequence as characters from his past bring him face to face with the shocking truth he has been desperately chasing. As the island begins to come alive Nathan must decide if his subconscious mind has come out to play or if the mysterious island is truly providing him with an exclusive key back to his own lost past unlocking the present and propelling him perilously forward into a dark and questionable future.

The Goddess War Trilogy Kendare Blake, 2018-01-09 This discounted ebundle of The Goddess War Trilogy includes Antigoddess Mortal Gods Ungodly. Blake presents a gory thrilling vision of the twilight of the gods in all their pettiness and power while letting readers draw their own messages and conclusions. Publishers Weekly starred review Antigoddess Old Gods never die. Or so Athena thought. But then the feathers started sprouting beneath her skin invading her lungs like a strange cancer and Hermes showed up with a fever eating away his flesh. Desperately seeking the cause of their slow miserable deaths Athena and Hermes travel the world gathering allies and discovering enemies both new and old. Mortal Gods Ares god of war is leading the other dying gods into battle. Which is just fine with Athena. She's ready to wage a war of her own and she's never liked him anyway. If Athena is lucky the winning gods will have their immortality restored. If not at least she'll have killed the bloody lot of them and she and Hermes can die in peace. Ungodly For the Goddess of Wisdom what Athena didn't know could fill a book. That's what Ares said. So she was wrong about some things. So the assault on Olympus left them beaten and scattered and possibly dead. So they have to fight the Fates themselves who it turns out are the source of the gods' illness. And sure Athena is stuck in the underworld holding the body of the only hero she has ever loved. But Hermes is still topside trying to power up Andie and Henry before he runs out of time and dies or the Fates arrive to eat their faces. Other Tor Teen books
