*The Dirty South*, 2023-11-15 *The Dirty South* examines the shifting significances of the South as a constructed fantasized region in the American psyche particularly its frequent association with tropes of dirt that emphasize soil garbage trash grit litter mud swamp water slime and pollution Beginning with iconic works from the 1970s such as *Deliverance* and *The Texas Chainsaw Massacre* James A Crank traces the image of a dirty South into the twenty first century to explore the social political and psychological effects of the region's hold on the imaginations of southerners and nonsoutherners alike With a focus on media forms through which southern identity gets articulated and questioned including horror movies *Swamp Thing* comics and popular music by artists such as Waylon Jennings and OutKast *The Dirty South* probes the sustained fascination with southern dirtiness while reflecting on its causes and consequences since the end of the civil rights era Highlighting the period from 1970 to 2020 during which the South began to represent several new possible identities for the nation as a whole and for the area itself Crank considers the ways that southerners have used depictions of dirt to create and police boundaries and to contest those boundaries Each chapter pairs prominent literary or cultural texts from the 1970s with more contemporary works such as Jordan Peele's film *Get Out* which recycle similar investments or critically challenge the inherent whiteness of the earlier images By historicizing fantasies of the region and connecting them to the first decades of the twenty first century *The Dirty South* reveals that notions about southern dirtiness proliferate not because they lend authenticity or relevancy to the U S South but because they aid so conspicuously in the zombified work of tethering investors real and imagined to a graveyard of ideas

[Matters of Doubt](#) Warren C Easley, 2013-09-03 Who can you turn to when society spits you out Former LA prosecutor Cal Claxton has escaped to the Oregon wine country after his wife's suicide determined to live a less harried life He's gotten a dog for company and takes pleasure in simple things like hiking fishing and crafting gourmet meals from the area's bounty which he enjoys with local wines He has no career ambitions other than to sustain a small practice that will allow him to pay his bills Then he's approached by a homeless street artist from

Portland who wants him to take on the cold case investigation of his mother's murder. The young man believes his mother's boyfriend killed her eight years earlier but the police were never able to solve the case. Cal turns him away. But his conscience won't let him rest. Cal takes on the case against his better judgment. Soon however the street artist is charged with the boyfriend's murder and Cal has to battle bias from the press, police and public along with his own doubts about his client in order to determine who has committed both crimes and why.
