Downward To The Earth:

Downward to the Earth Robert Silverberg,1977 One man must make a journey across a once colonised alien planet Abandoned by man when it was discovered that the species there were actually sentient the planet is now a place of mystery A mystery that obsesses the lone traveller Gundersen and takes him on a long trek to attempt to share the religious rebirthing of the aliens A journey that offers redemption from guilt and sin This is one of Silverbergs most intense novels and draws heavily on Conrad s Heart of Darkness It puts the reader at the heart of the experience and forces them to ask what they would do in the circumstances Downward to Earth Robert Silverberg,1976-08-17
