Dorset in the Civil War 1625-1665 Tim Goodwin,1996 Weymouth, Dorchester and Portland in the Great War

Jacqueline Wadsworth,2015 When war was declared in 1914 the people of South Dorset were taken by surprise Initially there was excitement as the garrison town of Dorchester sprang to life and Britain s Grand Fleet steamed from Portland Harbour to its war stations in the North Sea But when the fervor subsided what was it like for ordinary people This book describes how they settled down with purpose to a life at war Traders made the most of new markets and women learned to cope not only with food shortages and blackouts but the constant fear that their loved ones wouldn t return Many threw themselves into the war effort An enormous prisoner of war camp was established on the edge of Dorchester wounded Australian soldiers were sent to recover in Weymouth where they became firm favourites with the ladies and soldiers billeted in Portland homes didn t always treat their hosts with the respect they deserved Included in the book are the stories of a German spy who slipped through the net at Wyke a teenage soldier shot dead by his friend a scandal at a local military hospital the touching friendship that developed between a nurse and a wounded Belgian and what everyday life was like at Weymouth Torpedo Works This warm account of life in Dorchester Weymouth and Portland during the Great War ensures that the people at home who lived through those five dreadful years of conflict are remembered too *BARON JOHN*

MALTRAVERS 1290-1364 'A WISE KNIGHT IN WAR AND PEACE' AND HIS FOREBEARS AND DESCENDANTS 1066-1435

Caroleen McClure,2019-12-17 The first Baron John Maltravers led an extraordinary life Knighted at the age of sixteen he was taken prisoner at Bannockburn a few years later As an associate of Roger Mortimer he was a jailer of the deposed Edward II On the fall of Mortimer Maltravers was tried for treason and sentenced to death but he had already fled abroad His involuntary exile continued for twenty years No attempt was made to capture him or to bring him to justice By the time he returned to England his only son had died in the Black Death and Baron John s heirs were his two granddaughters His surviving granddaughter Eleanor married into the noble Arundel family and by a quirk of fate her descendants became Earls of Arundel as well as Barons Maltravers titles which are borne by their descendant the Duke of Norfolk to this day This fascinating history contains references to both published and unpublished sources setting the lives of the Maltraverses in the context of national events Illustrated with maps photographs and family trees the book provides readers with a detailed account of life in these turbulent times *Military Dorset Today* Colin A. Haig-Brown,1915 **Dorset in the First World War** Rodney Legg,2012-10-01 Packed with information and illustrated with historic images this is a fascinating portrait of how the war to end all wars impacted on what in other circumstances might have remained a largely remote corner of rural England that instead was thrust into the maelstrom of international conflict

The D-Day Landing on Gold Beach Andrew Holborn,2015-09-24 The Normandy landings of 6 June 1944 across five sectors of the French coast Utah Omaha Gold Juno and Sword constituted the largest amphibious invasion in history This study analyses in depth the preparations and implementation of the D Day landing on Gold Beach by XXX Corps Historians have tended to dismiss the landing on Gold Beach as straightforward but the evidence points to a different reality Armour supported the infantry landing and prior bombing was intended to weaken German defences however the bulk of the bombing landed too far inland and many craft foundered in difficult conditions at sea It was the tenacity of the assault units and the flexibility of the follow up units which enabled the Gold landing to secure the right flank of the British Army in Normandy Using detailed primary evidence from The National Archives and the Imperial War Museum this volume provides a substantial assessment of the background to the landing on Gold and analyses the events of D Day in the wider context of the Normandy Campaign **Mysterious Dorset** Rodney Legg,1998 [The Constitutional Year Book](#) ,1919 **The Times History of the War** ,1916
