Corey is restless and looking for action so when his former lover Detective Beth Penrose appears with a job offer Corey has to once again make some decisions about his career and about reuniting with Beth. Inspired by the real life Gilgo Beach murders *The Maze* takes us on a dangerous hunt for an apparent serial killer who has murdered nine and maybe more sex workers and hidden their bodies in the thick undergrowth on a lonely stretch of beach. As Corey digs deeper into this case he comes to suspect that the failure of the local police to solve this sensational mystery may not be a result of their incompetence it may be something else. Something more sinister. Featuring John Corey's politically incorrect humor and brilliant unorthodox investigative skills *The Maze* finally gives DeMille's readers the John Corey fix they've been craving along with the shocking plot twists that are the trademark of the bestselling author Nelson DeMille the master of smart entertaining suspense.
