Double Wonderful:

Roses for All American Climates George Clifford Thomas,1924 *The 7 Kids* William D. Cole,2010-01-19 Keith Seaward at age seventeen is forced to make excruciating decisions after his parents are killed in a plane crash leaving he and his six younger siblings orphans It s a kind of modern day Huckleberry Finn with a family in distress theme His choices are to stay with the family or pursue a baseball career *Shotguns and Shooting Three* Michael McIntosh,2008-10-14 Following the success of his acclaimed books *Shotguns and Shooting* and *More Shotguns and Shooting* Michael McIntosh continues his celebration of the shotgun in *Shotguns and Shooting 3* As with his earlier volumes the subjects covered are wide ranging from the earliest firearms to the author s current favorites and from technical discussions of barrels and ejectors to shooting techniques This book will appeal to hunting and gun enthusiasts everywhere *Abyss* Bethany Adams,2018-04-15 A mage out of her element After five hundred years as a magic teacher Selia thought she d seen everything But nothing prepared her for the chaos of her assignment at Braelyn Assassins rogue princes and a grown half human student all had caught her off guard Now things have settled down and her life has begun to take on a sense of normalcy Until her seemingly dead husband reappears astride a dragon with a dire warning about Earth An adventurer far from home For seven years Aris was held captive on the isle of dragons hidden so well that only his captor knew of his presence But when a dragon claims him as her rider and flies him away on an urgent mission Aris isn t certain he wants to return home Tortured and scarred not even thoughts of his lost family renew his desire for life Unfortunately death isn t on the table not with danger threatening multiple worlds A widening abyss Life might have settled on Moranaia after Prince Kien s death but the rogue prince hasn t gone to his death as quietly as his people believed As poison seeps into a crack in Earth s energy field a greater catastrophe looms Now a dragon a broken adventurer and an uncertain mage are the only ones who stand in the way of disaster New life Cheryl Soul2Soul,2023-01-30 Pension Bloemenhof is a source of strength and light It is a place from which wonderful things happen People find healing find themselves They discover what they love to do And thus become a source of strength and light themselves Add such sources together And explosions occur like volcanic eruptions Imagine what can happen as a result people heal society restores Dream with me A part of the book Chapter 1 Memories Agents at the door a car accident Erik dead a dark hole into which she had fallen silently She had been dreaming it couldn t be true it shouldn t be true She woke up sweating sweating from the heat of this summer day at the end of August but even more from the dream itself And yet she was cold she felt the chill of death She realised that she had indeed been dreaming a dream that took her back to exactly one year ago the day those policemen had actually come to the door with their message of doom Erik was no more it was over her great love was gone never again together never never never again Never again that was the steep slide into darkness Silently she slipped out of bed took her clothes to the bathroom where she freshened up and got dressed She crept down the stairs to the kitchen made a mug of coffee and sat down in her rocking chair with it She stared outside where it was

already starting to get a little light She had no idea what time it was but she didn't care In fact everything passed her by at the moment She looked but saw nothing in depth She thought only of Erik the great love of her youth In fact he had been that since her early childhood the boy with whom she had a click who understood her who felt her The boy who was there for her and for whom she would give her young life Other children had teased them bullied them but it had hardly touched her because Erik was there They were together and together they were fine She had lost track of him for a few years because he went to high school a few years earlier She felt alone during those years But he was also the young boy who showed her when she was fifteen who made her feel that she was good and especially that she was loved that she was loved by him that she was his everything He had never forgotten her Erik the man she had married because she knew that she loved him with her whole heart and wanted to share her life only with him The man who helped her through her traumas her sadness her pain her fears She had not realised before that there was so much in her that had been lost Erik knew from the depths of his soul what she needed to heal emotionally His inner voice gave him directions that sometimes seemed so contrary but of which she could say afterwards that it was precisely those contrary things that had pulled a lot of shit loose from her wounds so that those wounds could heal It took months for her to finally feel like she was discovering herself for the first time in her life Through Erik and her process she finally came to realise that she was an amazing woman a woman of potential with an enormous love and power within her with a desire to help others in their process of inner healing And she rediscovered what she loved so much cooking and baking and being with people being there for them That was when Erik got plans to start a guesthouse He had previously had all kinds of jobs jobs that he did because he needed to earn a living but in which he could hardly put his heart into He loved working with his hands building things preferably with wood And he especially loved people dealing with people He had a clear goal for as long as she had known him helping people on their way Not like he had done with her guiding her for months and months but helping them on their way so that they themselves could continue in their own process in their search

Home Another Way Christa Parrish,2008-10-01 After her mother's death and her father's abandonment tiny infant Sarah Graham was left to be raised by her emotionally distant grandmother As a child she turned to music for solace and even gained entrance to Juilliard But her potentially brilliant music career ended with an unplanned pregnancy and the stillborn birth of her child In an attempt to escape the past Sarah now twenty seven is living life hard and fast and she is flat broke When her estranged father dies she travels to the tiny mountain hamlet of Jonah New York to claim her inheritance Once there she learns her father's will stipulates a six month stay before she can receive the money Fueled by hate and desperation Sarah settles in for the bitter mountain winter and as the weeks pass she finds her life intertwining with the lives of the simple gracious townsfolk Can these strangers teach Sarah how to forgive and find peace A story of grace of God's never ceasing love and the sometimes flawed faithful people He uses to bring His purposes to pass
