Douglas MacArthur Warrior As Wordsmith:

Douglas MacArthur Bernard K. Duffy, Ronald H. Carpenter, 1997-08-26 From I Shall Return to Old Soldiers Never Die General MacArthur's phraseology invariably captured an audience's attention. The MacArthur persona may be familiar to many Americans more because of his oratory than because of his military deeds. Covering both his martial and his political oratory, this book provides a balanced full-length study of MacArthur's oratorical accomplishments and their impact. Part I is a critical analysis of MacArthur and his speeches, while Part II contains the texts of the addresses discussed. In their analysis, the authors avoid extremes of praise or blame. The highlight of the book is its account of MacArthur's rhetoric persuading Army and Navy chiefs to undertake the Inchon landing, arguably his finest hour. When MacArthur challenged Truman taking policy differences to Congress, his rhetoric enabled more than one congressman to see deity in the general. Duffy and Carpenter analyze well the measured cadences of that speech as well as the platitudes of the keynote speech at the 1952 Republican National Convention. If *Old Soldiers Never Die* polished his halo, the convention address tarnished it. This book captures both the brilliant flashes and the arrogant stupidities of the man. Quoted from the foreword by Robert P. Newman.

Douglas MacArthur Russell D. Buhite, 2008-04-18 Buhite offers a trenchant evaluation of Douglas MacArthur's career in East Asia and his role in some of the most important military and diplomatic issues of the twentieth century. Concise and highly readable, this biography considers diplomatic fact in light of psychological insight and asks us to look anew at both MacArthur and American involvement in the region. From Manila to Washington, with Tokyo and Seoul in between, readers follow the course of American foreign diplomacy in East Asia via MacArthur's own career. This fascinating intersection of personality and policy would make for newsreel footage and newspaper headlines such as when he waded ashore Luzon Island in the Philippines and sent Washington provocative communiqués about the People's Republic of China. Yet, as Buhite shows, grand gestures are not the substance of great foreign policy, and MacArthur's reputation merits critical reassessment. This is a must-read for those interested in diplomatic and military history.

Great Military Leaders William T. Worthington, 2002 **Great Military Leaders: A Bibliography with Vignettes** **Asian American History Day by Day** Jonathan H. X. Lee, 2018-10-12 For student research, this reference highlights the importance of Asian Americans in U.S. history, the impact of specific individuals, and this ethnic group as a whole across time, documenting evolving policies, issues, and feelings concerning this particular American population. **Asian American History Day by Day: A Reference Guide to Events** provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the contributions of Asian Americans to U.S. culture in that time. The book is organized in the form of a calendar, with each day of the year corresponding with an entry about an important event, person, or innovation that span several hundred years of Asian American history, and references to books and websites that can provide more information about that event. Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that

help bring history to life With this guide in hand teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research

Character Carved in Stone Pat Williams, Jim Denney, 2019-02-05 Overlooking the Hudson River on the campus of the United States Military Academy at West Point are 12 granite benches each inscribed with a word representing a key leadership virtue compassion courage dedication determination dignity discipline integrity loyalty perseverance responsibility service and trust These benches remind cadets of the qualities that lead to victory and success not just on the battlefield but in all of life With his signature enthusiasm and insight Pat Williams shares the incredible stories of West Point graduates who exemplified these traits from the Civil War to the War on Terror He shows readers of all backgrounds how to develop these 12 essential virtues in their lives whether they are in the corporate world the academic world the military the church or in some other sphere

Front Lines of Community Hermann Kappelhoff, 2018-04-23 Based on the premise that a society's sense of commonality depends upon media practices this study examines how Hollywood responded to the crisis of democracy during the Second World War by creating a new genre the war film Developing an affective theory of genre cinema the study's focus on the sense of commonality offers a new characterization of the relationship between politics and poetics It shows how the diverse ramifications of genre poetics can be explored as a network of experiential modalities that make history graspable as a continuous process of delineating the limits of community

Truman and MacArthur Michael D. Pearlman, 2008-03-12 Truman and MacArthur offers an objective and comprehensive account of the very public confrontation between a sitting president and a well known general over the military's role in the conduct of foreign policy In November 1950 with the army of the Democratic Peoples Republic of Korea mostly destroyed Chinese military forces crossed the Yalu River They routed the combined United Nations forces and pushed them on a long retreat down the Korean peninsula Hoping to strike a decisive blow that would collapse the Chinese communist regime in Beijing General Douglas MacArthur the commander of the Far East Theater pressed the administration of President Harry S Truman for authorization to launch an invasion of China across the Taiwan straits Truman refused MacArthur began to argue his case in the press a challenge to the tradition of civilian control of the military He moved his protest into the partisan political arena by supporting the Republican opposition to Truman in Congress This violated the President's fundamental tenet that war and warriors should be kept separate from politicians and electioneering On April 11 1951 he finally removed MacArthur from command Viewing these events through the eyes of the participants this book explores partisan politics in Washington and addresses the issues of the political power of military officers in an administration too weak to carry national policy on its own accord It also discusses America's relations with European allies and its position toward Formosa Taiwan the long standing root of the dispute between Truman and MacArthur
