Down Out:

Down, Out & Under Arrest Forrest Stuart, 2016-08-02 A well supported critique of therapeutic policing and by extension of similar paternalistic efforts to help the poor by hassling them into good behavior Los Angeles Times In his first year working in Los Angeles s Skid Row Forrest Stuart was stopped on the street by police fourteen times Usually for doing little more than standing there Juliette a woman he met during that time has been stopped by police well over one hundred times arrested upward of sixty times and has given up more than a year of her life serving week long jail sentences Her most common crime Simply sitting on the sidewalk an arrestable offense in LA Why What purpose did those arrests serve for society or for Juliette How did we reach a point where we ve cut support for our poorest citizens yet are spending ever more on policing and prisons That s the complicated maddening story that Stuart tells in Down Out Under Arrest a close up look at the hows and whys of policing poverty in the contemporary United States What emerges from Stuart s years of fieldwork not only with Skid Row residents but with the police charged with managing them is a tragedy built on mistakes and misplaced priorities more than on heroes and villains At a time when distrust between police and the residents of disadvantaged neighborhoods has never been higher Stuart s book helps us see where we ve gone wrong and what steps we could take to begin to change the lives of our poorest citizens and ultimately our society itself for the better

Mannock Norman Franks, Andy Saunders, 2008-09-22

The definitive biography of the WWI fighter pilot Edward Mick Mannock and a revealing investigation into his mysterious fate Although he was arguably the highest scoring RAF fighter pilot of the First World War Edward Mick Mannock s life particularly his death is still shrouded in mystery Did he achieve as many victories as are sometimes ascribed to him How did he die Where did he die And more pertinently where do his remains now lie Investigative historians Norman Franks and Andy Saunders have assessed all the evidence and cut through the speculation to build a complete picture of the man and his achievements as a fighter pilot Having unearthed much new and enlightening information they present a truly balanced overview of his life and also reveal for the first time exactly where he fell in battle a century ago Includes photographs

The Gospel Jongwoo Han, 2016-07-15 This book merges and harmonizes the four Gospels of Matthew Mark Luke and

John into one This unified version which I call The Gospel is based on the faith that the four different gospels exist in order to form together the complete story of Jesus life and ministry I consolidated these sources by identifying common denominators among them as well as parts that are unique to each and then interweaving it all into a single narrative using only original texts This integrated version may offer greater incentive to our youth laymen and non believers as well as professionals to read and learn more about what Jesus did and taught Acts 1 1 In the past there have been many attempts to make the four Gospels easier for readers often displaying similar episodes in parallel columns in an effort to resolve the Gospels narrative complexity by harmonizing them in one way or another however in regard to the text itself previous books do not rise to the level of precision and completeness that is achieved here Answering this need for a clear chronological telling of The Story of Jesus this book unifies every account of the four Gospels into a single story without omitting or compromising any part On a given topic in Jesus ministry this book uses as its base whichever gospel is the greatest common denominator consolidates identical or similar parts from other Gospels and integrates the unique and different elements of each book into a single story
