*America's Declaration of Financial Independence* Robert Harold Schuller, Paul David Dunn, 1995 In their 1985 book *The Power of Being Debt Free* Schuller popular author and pastor of the world's largest televised church audience and Paul Dunn warned about the dangers of an escalating national debt Their newest collaboration traces the historical roots of the national debt continues to show the dangers of its escalation and outlines ten specific actions to help eliminate the problem

American Magazine, 1926    American Illustrated Magazine, 1926    Shall the United States undertake alone the free coinage of silver at the ratio of sixteen to one?. Richard LOWRY (Writer on Finance.), 1896    **The Glass Church** Mark T. Mulder, Gerardo Martí, 2020-04-17 Robert H Schuller's ministry including the architectural wonder of the Crystal Cathedral and the polished television broadcast of Hour of Power cast a broad shadow over American Christianity Pastors flocked to Southern California to learn Schuller's techniques The President of United States invited him sit prominently next to the First Lady at the State of the Union Address Muhammad Ali asked for the pastor's autograph It seemed as if Schuller may have started a second Reformation And then it all went away As Schuller's ministry wrestled with internal turmoil and bankruptcy his emulators including Rick Warren Bill Hybels and Joel Osteen nurtured megachurches that seemed to sweep away the Crystal Cathedral as a relic of the twentieth century How did it come to this Certainly all churches depend on a mix of constituents charisma and capital yet the size and ambition of large churches like Schuller's Crystal Cathedral exert enormous organizational pressures to continue the flow of people committed to the congregation to reinforce the spark of charismatic excitement generated by high profile pastors and to develop fresh flows of capital funding for maintenance of old projects and launching new initiatives The constant attention to expand constituencies boost charisma and stimulate capital among megachurches produces an especially burdensome strain on their leaders By orienting an approach to the collapse of the Crystal Cathedral on these three core elements constituency charisma and capital The Glass Church demonstrates how congregational fragility is greatly accentuated in larger churches a notion we label megachurch strain such that the threat of implosion is significantly accentuated by any failures to properly calibrate the inter relationship among these elements

**Mercenaries in British and American Literature, 1790-1830** Erik Simpson,2010-05-31 In *Mercenaries in British and American Literature 1790 1830* Erik Simpson proposes the mercenary as a meeting point of psychological national and ideological issues that connected the severed nations of Britain and America following the American Revolution When writers treat the figure of the mercenary in literary works the general issues of incentive independence and national service become intertwined with two of the well known social developments of the period an increased ability of young people to choose their spouses and the shift from patronage to commercial market based support of authorship While the slave a traditional focus of transatlantic studies troubles the rhetoric of liberty through a lack of autonomy and consent the mercenary raises questions about liberty by embodying its excess Simpson argues that the mercenary of popular imagination takes monstrous advantage of modern freedoms by contracting away the ostensibly natural and foundational bonds of civil society Substan
