Broken Shield:

Pendragon Stephen R Lawhead,2013-05-24 Though Lawhead brilliantly creates an authentic and vivid Arthurian Britain he never forsakes the sense of wonder that has graced the legend throughout the ages Publishers Weekly At the dawn of his reign a young king confronts his destiny and must prove his greatness or lose a realm Arthur is King but treachery runs rampant throughout the beleaguered Isle of the Mighty Darkest evil descends upon Britain s shores in many guises Fragile alliances fray and tear threatening all the noble liege has won with his wisdom and his blood His most trusted counselor the warrior bard and kingmaker whom legend will name Merlin is himself to be tested on a mystical journey back through his own extraordinary past So in a black time of plague and pestilence it is Arthur who must stand alone against a great and terrible adversary For only this way can he truly win immortality and the name to treasure above all others *CONS* ,1976
