they move into Berlin with nothing to protect them but forged papers and each other Convinced their friendship can keep them going the boys try and make a new life for themselves while trying to keep their true identities and Japhet s heritage a secret Taking his best friend s safety upon himself Franz joins the Nazis in an attempt to get valuable information At the same time Japhet joins the Jewish Resistance neither friend telling the other of their new occupations With everyone in their world telling them a Nazi and a Jew can t be friends it is only a matter of time before they believe all the lies themselves until neither is certain if they are fighting against a race of people or fighting for their homeland Somehow they have to survive the horrors of World War 2 even when all of Germany seems to be against them *Bowker's Guide to Characters in Fiction* 2007 ,2008-02
