## **Bull God:**

**Bull God** Roberta Gellis,2001-07-31 An epic tale of ancient Crete that depicts the curse of the Minotaur from its inception to conclusion as told from the point of view of Ariadne daughter of King Minos and Queen Pasiphae Stepping back into this visceral telling of an ancient myth Crete and the palace of Knossos become vivid with color and life The royal family the gods and Ariadne and the Minotaur are born fully formed as the goddess Athena from Zeus head It begins when she is thirteen on the day she is given by her parents to the shrine of Dionysus the god of wine to become his high priestess Dionysus hears her Call after generations of neglect and he comes to her on the altar promising to bless the island s vines and grapes and ignites desperate emotions in powerful people jealousy envy fear along with her family s greed that turn a god s wrath against them Thus the curse of the Minotaur is born a deformed babe a monster and Ariadne s half brother She is the only person who feels the slightest compassion and tenderness towards the poor creature caring for it when no one else will He grows into a huge beast with the mind of a child and the temper of a god who will only obey Ariadne Learning the ways of her god Dionysus and through him the ancient gods of Olympus Ariadne becomes a powerful force capable of controlling her beautiful and kind yet jealous and wrathful god Gods of Love and Ecstasy Alain Daniélou,1992-05 ecstatic sexuality and transcendence who initiate us into communion with **God's Autopsy and the Living Truth of Soul** Hal Childs,2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God s Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung s psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself The Gods and Goddesses of Old Europe: 7000 to 3500 BC Myths, Legends and Cult Images Marija Gimbutas,1974 Animals and Animal Symbols in World Culture Dean Miller,2014-01-01 A comprehensive guide to the history of human interaction with the creatures of the earth air and water This book provides historical perspective on mankind s complicated relationship with all creatures from tiny insects to larger beasts From the alligator to the wryneck key animals from every continent are profiled with articles focusing on how different cultures viewed the creatures with which they shared land and the ones they

considered omens of gods and devils In addition to the numerous articles on specific animals there are also entries on the role of animals in Christian art and how shamans took the form and power of animals in key ceremonies The work is highly illustrated and subjects of major interest are provided with individual bibliographies of further reading on the subject at the end of each article
