**Bulletproof** Chuck Holton, 2009-05-27 Would you like to have the confidence the kind of driving purpose that shuts out all fear Do you want your life to be filled with adventure There are many kinds of soldiers and the ones that this book is written for don t necessarily wear a uniform The missions these soldiers undertake have more than just political or historical significance they are impacting eternity *Bulletproof* is a field manual for the Christian soldier It addresses the issues of fear and risk from a Christian perspective using primarily military examples and analogies Holton teaches believers how to overcome fear and join the ranks of the army of God Terrorism Murder Disease Job Loss Road Rage Weapons of Mass Destruction Environmental Disaster What Are You Scared By every sense of reason you should be By faith you don t have to be God s soldiers are issued body armor Peace that surpasses understanding But you must choose to put it on Chuck Holton reveals how to claim this peace of mind and rest in the sovereignty of God s plan while stationed in our dangerous world Not denying legitimate causes for fear Holton s balanced perspective to living boldly as a Christian today offers refreshing hope in the midst of rampant anxiety Because when you begin seeing things from the Commander s perspective you won t have to dodge bullets Until your mission is complete you are bulletproof *Story Behind the Book* In October 2002 a sniper started killing people at random in the area where I live The community almost ground to a standstill with people refusing to leave their homes drive the streets or send their children to school until the killer was found What disturbed me most was the reaction of many of my fellow Christians one of fear just like their unsaved neighbors I felt we were passing up a perfect opportunity to model the peace that passes all understanding to a very needy audience Since then I have come to realize that the Bible almost in its entirety tells us over and over again that we should not be afraid A life lived trusting God is a fearless confident life that will draw others to it

Bulletproof Faith Gay and lesbian Christians are constantly demoralized and told they are not children of God In Bulletproof Faith Chellew Hodge reassures gays and lesbians that God loves them just as they were created and teaches them how to stand strong with compassion and gentleness against those who condemn them Archbishop Emeritus Desmond Tutu It is an amazing truth that gay and lesbian Christians need to develop a bulletproof faith in order to survive the attack of other Christians That however is the experience of many homosexual persons Candace Chellew Hodge has in this book committed herself to the task of making that survival a reality I salute her and her work John Shelby Spong author Jesus for the Non Religious We know the Religious Right is wrong about same sex relationships and it s time to move on But how to withstand their relentless attacks and find lasting peace of soul Candace Chellew Hodge offers a practical guide It met me right where I am It will touch and help heal many others too Daniel A Helminiak professor of psychology University of West Georgia and author What the Bible Really Says About Homosexuality **Defender Magazine** ,1953 Slaughterhouse-Five Kurt Vonnegut,1999-01-12 Kurt Vonnegut s masterpiece Slaughterhouse Five is a desperate painfully honest attempt to confront the monstrous crimes of the twentieth century Time Selected by the Modern Library as one of the 100 best novels of all time One of The Atlantic s Great American Novels of the Past 100 Years Slaughterhouse Five an American classic is one of the world s great antiwar books Centering on the infamous World War II firebombing of Dresden the novel is the result of what Kurt Vonnegut described as a twenty three year struggle to write a book about what he had witnessed as an American prisoner of war It combines historical fiction science fiction autobiography and satire in an account of the life of Billy Pilgrim a barber s son turned draftee turned optometrist turned alien abductee As Vonnegut had Billy experiences the destruction of Dresden as a POW Unlike Vonnegut he experiences time travel or coming unstuck in time An instant bestseller Slaughterhouse Five made Kurt Vonnegut a cult hero in American literature a reputation that only strengthened over time despite his being banned and censored by some libraries and schools for content and language But it was precisely those elements of Vonnegut s writing the political edginess the genre bending inventiveness the frank violence the transgressive wit that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it Authors as wide ranging as Norman Mailer John Irving Michael Crichton Tim O Brien Margaret Atwood Elizabeth Strout David Sedaris Jennifer Egan and J K Rowling have all found inspiration in Vonnegut s words Jonathan Safran Foer has described Vonnegut as the kind of writer who made people young people especially want to write George Saunders has declared Vonnegut to be the great urgent passionate American writer of our century who offers us a model of the kind of compassionate thinking that might yet save us from ourselves More than fifty years after its initial publication at the height of the Vietnam War Vonnegut s portrayal of political disillusionment PTSD and postwar anxiety feels as relevant darkly humorous and profoundly affecting as ever an enduring beacon through our own era s uncertainties
