Burys Two Rivers:

Hell's Foundations Geoffrey Moorhouse,2011-11-03 There is no shortage of books on the ill fated Gallipoli campaign of 1915 but this one stands out In it Geoffrey Moorhouse moves the focus from the more familiar aspects to concentrate on one small mill town Bury in Lancashire and to anatomize the long lasting effect the Dardanelles had on it Bury was the regimental home of the Lancashire Fusiliers In the Gallipoli landings of 25 April 1915 it lost a large proportion of its youth By May 1915 some 7 000 Bury men had already gone to war to be followed by many others before Armistice Day More than 1 600 from just three local battalions of the Fusiliers were among those who never returned The regiment left 1 816 dead men on Gallipoli alone it lost 13 642 soldiers in the Great War as a whole This terrifying sacrifice left its mark Bury commemorates Gallipoli on a scale similar to Anzac Day in Australia and New Zealand and yet as the Second World War approached recruitment to the regiment fell far behind that in other Lancashire towns Hurlers one from rage and cynicism to involvement and tenderness Moorhouse offers one of the most fascinating revelations of the orthodox British spirit religious political and social This book makes wonderful reading Ronald Blythe Sunday Times A fascinating new approach to this tragedy Moorhouse s contribution to the bibliography of Gallipoli is of quite outstanding value Robert Rhodes James The Independent A subtle and moving exploration of the way that memories of slaughter and loss shaped the town s post first world war identity Terry Eagleton New Statesman

Bury the Lead Archer Mayor,2018-09-25 Joe Gunther and the VBI team are investigating a murder and an arson case both potentially related to an outbreak of ebola When the body of a young woman is found near a trail at a popular ski mountain the case falls to Joe Gunther and his team at the Vermont Bureau of Investigation VBI They quickly have a suspect Mick Durocher and a confession but not everyone on the team is convinced Despite Mick s ready admission investigators quickly sense there might be more going on than is immediately apparent At the same time a large local business is being targeted with escalating acts of vandalism a warehouse fire a vandalized truck a massive cooling system destroyed resulting in loss of life And either by coincidence or not Mick Durocher the self confessed murderer was once employed by this very company These two puzzling cases now possibly connected are further complicated by the sidelining of a key member of VBI Willy Kunkle who undergoes surgery at a hospital that appears to be having an unlikely and suspiciously timed outbreak of Ebola Joe and his team pursue these cases uncovering motives that might link them while
