Manville,1883      African Perspectives on Poverty, Indigenous Knowledge Systems, and Innovation Oliver Mtapuri,2022-11-15 This book examines the connections between poverty and innovation in Africa Through case studies and theorizations from a distinctly African perspective it stands in contrast to current theoretical works in the field which remain very much rooted in Western orientated thinking The book investigates the application of methodologies which explain numerous African contexts in connection with issues of poverty and inequality It reflects on comparative practices and praxes on the African continent including commonplace traditions and practices in alleviating poverty taken against a background of the failure of current prescriptions for poverty alleviation such as the Structural Adjustment Programmes SAPs and the Poverty Reduction Strategy Papers PRSP There is a dire need for new practical perspectives which move Africa forward using its indigenous knowledge Owing to a general lack of recorded African theories and methodologies on poverty inequality and innovation this book represents a pioneering corpus of African knowledge addressing poverty and inequality through local innovations Adopting a transdisciplinary approach it is relevant to students and scholars in development studies and economics African studies social studies political history and political economy climate studies anthropology and geography
