

Germany Since Unification

- Fears about what effect reunification might mean proved unfounded.
- Despite some initial problems reintegration of East & West largely successful.
- New sense of patriotism and readiness to engage with the rest of the world on equal terms.

Germany Since Unification

JE Gale

Germany Since Unification:

Germany since Unification Klaus Larres,2016-07-27 Almost a decade after the opening of the Berlin Wall the collapse of the GDR and the end of the Cold War Germany has begun to cope with the political economic social and nationalistic challenges unification has posed to its institutions and way of life in both the western and eastern part of the once divided country The books nine authors all experts in their field analyse the way united Germany has tackled the many unforeseen problems and highlight Germany s slow adjustment to the new realities The emergence of a new economic political and perhaps military superstate as feared by many in 1990 has not materialised Instead Germany today is only just coping with the domestic and external challenges of unification The economic and social integration of the former East Germany may yet take another 10 to 15 years This timely and well researched book outlines the many challenges facing Germany and its European neighbours in the post Cold War world

Representing East Germany Since Unification Paul Cooke,2005-08 Cooke maps out the problematic path of German national identity as it struggles to deal with the legacy of division Drawing on postcolonial theory he argues that the East has been defined as the West s exotic other and shows how this stereotype has been vigorously challenged

[Germany since Unification](#) K. Larres,2001-02-13 A decade after the fall of the Berlin Wall the collapse of the GDR and the end of the Cold War Germany has begun to cope with the political economic social and nationalistic challenges unification has posed to its institutions and way of life in both the western and eastern part of the once divided nation The books eleven authors all experts in their field analyse the way united Germany has tackled the many unforeseen problems and highlighted the gradually emerging short and long term patterns in Germany s slow adjustment to the new realities The country has not only become more populous and territorially bigger but also burdened with much underestimated problems particularly economic and social ones The emergence of a new economic political and perhaps military superstate as feared by many in 1990 has not materialised Instead Germany today is only just coping with the domestic and external challenges of unification The economic and social integration of the former East Germany into the Federal Republic has still not been completed and may take yet another ten to fifteen years The book is a timely and well researched effort by a team of outstanding experts to evaluate Germany s performance to date It gives the reader ample and well analysed information to comprehend the many challenges facing Germany and its European neighbours in the post Cold War world

The Federal Republic of Germany since 1949 Klaus Larres,Panikos Panayi,2014-08-27 Today the problems of reunification seem to feature more often in the international spotlight than the benefits This timely volume offers a reassessment of Germany s postwar development from its inception through to reunification including a thorough examination of the implications for economic political and social policies The impressive team of contributors include leading names in the history of modern Germany together with some of the ablest younger scholars in the field They are Hartmut Berghoff David Childs Immanuel Geiss Graham Hallett Klaus Larres Terry McNeill Torsten Opelland Richard Overy Stephen

Padgett Panikos Panayi and Mathias Siekmeier Education in Germany since Unification David Phillips,2000-01-01 This volume is concerned with aspects of education in Germany over the 10 years prior to 2000 focusing on schools teachers vocational training and higher education in those eastern parts of the Federal Republic which formerly constituted the territory of the German Democratic Republic The articles deal with notions of transition and adaptation at a time of considerable upheaval and rapid change There is a particular focus in some contributions on the problems involved in conducting research on the views of teachers involved in complex processes of adjustment to a new status quo *German Foreign Policy Since Unification* Volker Rittberger,2001 This book examines the extent to which German foreign policy has changed since unification and analyzes the fundamental reasons behind this change The book has three main aims The essays develop theories of foreign policy to predict and explain Germany s foreign policy behavior They test competing predictions about German foreign policy behavior since unification in several issue areas They also assess the much debated question as to whether post unification Germany s foreign policy is marked by continuity or change *Germany since 1789* David G. Williamson,2015-12-17 This essential text provides a clear and engaging introduction to the history of modern Germany The updated and expanded new edition now takes the story back to 1789 and brings it right up to the present day adopting a controversy led approach throughout Visual evidence maps documents and key event boxes support the text and aid learning The Unification and Reunification of Germany Jackie F. Stanmyre,2018-07-15 The geography of Germany and the way it has been governed have changed many times since the 1800s This book explores Otto von Bismarck s role in the formation of the modern German state the partition of Germany following World War II and the events surrounding the decline of European communism including the fall of the Berlin Wall in 1989 and the reunification of East and West Germany in 1990 With photographs maps sidebars and fast facts readers will evaluate the country s numerous border changes and the massive impact they have had on the people who live there *The New Germany in the East* Christopher Flockton,Eva Kolinsky,Rosalind M. O. Pritchard,2000 Produced with the International Peace Academy in New York this volume focuses largely on the conflicts of the 1990s and future projects examining multifaceted issues involved in conflict management suggesting new approaches and tools for future conflict management *The Berlin Republic* Winand Gellner,John D. Robertson,2004-11-23 Since German unification in October 1990 arguments have raged as to whether the integration process of the former East Germany into the western system has been a success These essays offer fresh insight and perspectives explaining the effects of unification on Germany and the EU as a whole Beyond the Wall Elizabeth Pond,2010-12-01 Beyond the Wall is the first book in either English or German to tell the whole story of the extraordinary revolution that demolished the Berlin Wall ended the Cold war and tore apart the Soviet regime Elizabeth Pond former Moscow and European correspondent for the Christian Science Monitor was an eyewitness to the dramatic events of 1989 92 and to the fifteen years of relations between Germany and Eastern Europe leading up to them Pond weaves together in

riveting prose the strands of events that are usually recounted separately Rather than looking just at the East German revolt or the process of unification that created a new nation she traces the interaction of these events and their diplomatic consequences for Europe Pond shows the political economic and social forces at work leading up to the unification during the transition process and in the aftermath Looking at the European framework she explains how significantly the European Community and its move toward integration both affected and were affected by German unification The book contains a wealth of new information from hundreds of interviews with top German and American policymakers East German Politburo members and average German citizens It also incorporates up to date research on such topics as the Stasi secret police and the midlife crisis of the German left Pond concludes with an assessment of the roles of the United States and a unified Germany in the new Europe Calling for a continued partnership between the United States and Germany who have come through a common baptism of fire since the fall of the Berlin Wall Pond casts an optimistic eye toward the future

The New Germany John Richard Philip McKenzie, Derek Lewis, 1995 A comprehensive picture of Germany since reunification The work covers the fall of East Germany from the 1989 revolution the new political structures Germany's role as a European power the problems generated by the Western take over of the former GDR and culture and the arts

New Europe, New Germany, Old Foreign Policy? Douglas Webber, 2001 The contributions to this volume analyze how and the extent to which German foreign and European policy has changed since German unification

Reinventing Gender Eva Kolinsky, Hildegard Maria Nickel, 2003 Since the unification of the DDR and the GDR women living in the former East Germany have lost many of the advantages that came with a planned economy This collection of essays examines the reinvented meaning of gender and the experience of East German women since unification

The Making of Modern Germany Ferdinand Schevill, 1916

After The Wall Patricia J Smith, 1998-07-02 Since the fall of the Berlin Wall in November 1989 Germany has faced complex challenges The rapid introduction of political economic and social union in 1990 joined East and West in an experiment without precedent as the former German Democratic Republic adopted the structures of the Federal Republic of Germany Related issues include the adoption of a market economy the opening of security police files the role of the former Communist Party in the political system of the unified Federal Republic and the incorporation of the East German military into that of the West What has happened during the transition period Focusing on the situation in eastern Germany today almost eight years after unification specialists from Germany Great Britain and the United States assess the institutional social and cultural changes that have occurred and speculate on prospects for the future One of the few English language books to concentrate on how unification has affected eastern Germany and East Germans After the Wall Eastern Germany Since 1989 addresses impacts on East German society including elites workers and women Discussion of institutional changes and the marginalization of East Germans recurs throughout the volume along with a focus on concrete achievements and successes since unification The section on politics and economics looks at changes in local government the Communist

Party the radical right and economic structures Chapters in Part Two cover changes in political culture religion the media and literature In the final section chapters assess the integration of the East German military into the military structures of the Federal Republic and NATO and analyze the foreign policy of a united Germany

The Economic Development of Germany Since 1870 Wolfram Fischer,1997 *East Germany's Economic Development since Unification* Anja Hochberg,Jens Hölscher,2016-01-01 The first book in the Studies in Economic Transition series applies the theory of economic development to the economy of East Germany Eight years after the unification of Germany the book provides a comprehensive and much needed assessment of the transition process in the East its impact on the German economy as a whole and the important broader lessons for European integration and enlargement The unique economic experiment of the unification of the German economies provided an excellent opportunity for different schools of economic theory to be tested and examined The contributors to this book take full advantage of this challenge
