Burn Before Reading:

Burn Before Reading Turner Stansfield, 2005-10-01 In this thoughtful entertaining and often insightful book a former CIA director explores the delicate give and take between the Oval Office and Langley With the disastrous intelligence failures of the last few years still fresh in Americans minds and to all appearances still continuing there has never been a more urgent need for a book like this In *Burn Before Reading* Admiral Stansfield Turner the CIA director under President Jimmy Carter takes the reader inside the Beltway to examine the complicated often strained relationships between presidents and their CIA chiefs From FDR and Wild Bill Donovan to George W Bush and George Tenet twelve pairings are studied in these pages and the results are eye opening and provocative Throughout Turner offers a fascinating look into the machinery of intelligence gathering revealing how personal and political issues often interfere with government business and the nation's safety

Intelligence and Government in Britain and the United States Philip H.J. Davies, 2012-04-06 Bringing a dose of reality to the stuff of literary thrillers this masterful study is the first closely detailed comparative analysis of the evolution of the modern British and American intelligence communities *Intelligence and Government in Britain and the United States A Comparative Perspective* is an intensive comparative exploration of the role of organizational and political culture in the development of the intelligence communities of America and her long time ally Each national system is examined as a detailed case study set in a common conceptual and theoretical framework The first volume lays out that framework and examines the U S intelligence community The second volume offers the U K case study as well as overall conclusions Particular attention is paid here to the fundamentally different concepts of what intelligence entails in the United States and United Kingdom as well as to the nations different approaches to managing change and information intensive activities The impact of these differences is demonstrated by examining the evolution of the two intelligence communities from their inceptions prior to World War II through their development during the Cold War and the transformations that have taken place since especially in the wake of the September 2001 terrorist attacks and 2003 invasion of Iraq

The Coen Brothers Encyclopedia Lynnea Chapman King, 2014-10-10 Joel and Ethan Coen have written and directed some of the most celebrated American films of the last thirty years The output of their work has embraced a wide range of genres including the neo noirs *Blood Simple* and *The Man Who Wasn't There* the absurdist comedy *Raising Arizona* and the violent gangster film *Miller's Crossing* Whether producing original works like *Fargo* and *Barton Fink* or drawing on inspiration from literature such as Charles Portis *True Grit* or Cormac McCarthy's *No Country for Old Men* the brothers put their distinctive stamp on each film In *The Coen Brothers Encyclopedia* all aspects of these gifted siblings as writers directors producers and even editors in the guise of Roderick Jaynes are discussed Entries in this volume focus on creative personnel behind the camera including costume designers art directors and frequent contributors like cinematographer Roger Deakins and composer Carter Burwell Recurring actors are also represented such as Jeff Bridges Steve Buscemi George Clooney John Goodman Holly Hunter
