Collected Writings Paperback

Collected Writings Paperback:

Collected Works of C. G. Jung, Volume 19 C. G. Jung, 2014-03-01 An authoritative bibliography of Jung's works in German and English. A record of all of Jung's publications in German and in English; this volume replaces the general bibliography published in 1979 as Volume 19 of the Collected Works of C. G. Jung. In the form of a checklist, this revised general bibliography records through 1990 the initial publication of each original work by Jung, each translation into English, and all significant new editions, including paperbacks and publications in periodicals. The contents of the volumes of the Collected Works of C. G. Jung and the *Gesammelte Werke* published in Switzerland are listed in parallel to show the relation between the two editions. Jung's seminars are dealt with in detail, and where possible information is provided about the origin of works that were first conceived as lectures. There are indexes of all publications, personal names, organizations, and societies, and periodicals.

The Complete Collected Works of Dr. Phineas Parkhurst Quimby (Hardcover Edition)

Phineas Parkhurst Quimby, 2009-01-24 Dr. Phineas Parkhurst Quimby (1802-1866) was a lifelong resident of Belfast, ME, and a clockmaker by trade. From the late 1840s until the time of his transition, he wrote down his own particular philosophical, psychological, and metaphysical views on life, death, health, religion, and the mind. His early studies of hypnosis, then called mesmerism, led him later on to develop his unique method of healing for both mental and physical ailments. Proud of his New England heritage, passionate in his love of liberty and equality for all, outspoken in his admonitions against what he considered aristocracy and priestcraft, empathetic toward the sick and suffering, he recorded his experiences, experiments, and case studies of his own life journey's explorations into humanity and spirituality in order to leave behind for us what he found for himself to be universally applicable truths for the benefit of all mankind. For this reason, he wrote this book. Hardcover Edition, 700 pages.
