### PURPOSE

The purpose of this policy is to establish administrative direction, procedural requirements, and technical guidance to ensure the appropriate protection of Texas Wesleyan information handled by computer networks.

### SCOPE

This policy applies to all who access Texas Wesleyan computer networks. Throughout this policy, the word "user" will be used to collectively refer to all such individuals. The policy also applies to all computer and data communication systems owned by or administered by Texas Wesleyan or its partners.

### POLICY

All information traveling over Texas Wesleyan computer networks that has not been specifically identified as the property of other parties will be treated as though it is a Texas Wesleyan asset. It is the policy of Texas Wesleyan to prohibit unauthorized access, disclosure, duplication, modification, diversion, destruction, loss, misuse, or theft of this information. In addition, it is the policy of Texas Wesleyan to protect information belonging to third parties that have been entrusted to Texas Wesleyan in a manner consistent with its sensitivity and in accordance with all applicable agreements.
