s Healing Power
Sickness is not God's will for you or for anyone else. According to the Bible, sickness is not a gift from Heaven; it is a result of sin, the Fall, and the curse. You are not called to accept or embrace it; you have been anointed to release God's healing.

Handbook on Acts and Paul's Letters (Handbooks on the New Testament) Thomas R. Schreiner, 2019-11-05. Leading biblical scholar Thomas Schreiner provides an easy-to-navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters. This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages. This is the first volume in the *Handbooks on the New Testament* series, which is modeled after Baker Academic's successful *Old Testament* handbook series. Series volumes are neither introductions nor commentaries as they focus primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse-by-verse exegesis. The series will contain three volumes that span the entirety of the New Testament, with future volumes covering the Gospels and Hebrews through Revelation. Written with classroom utility and pastoral application in mind, these books will appeal to students, pastors, and laypeople alike.

The Rise of the Early Church: Exploring the Triumphs and Trials in Acts Naomi Cooper, 2025-04-16. A captivating narrative that pulls back the curtain on the tumultuous yet exhilarating nascent years of Christianity. This book invites you to journey through the pages of the Book of Acts, uncovering the remarkable story of the early church's expansion against all odds. From the humble beginnings in Jerusalem, ignited by the Holy Spirit, witness the gospel's wildfire spread across the Roman Empire. Experience the vibrant faith, unwavering courage, and inspiring leadership of Peter, Paul, and other devoted followers who risked everything to share the message of Jesus Christ. But this journey wasn't paved with ease. You'll encounter the fierce opposition, brutal persecutions, and internal conflicts that tested the very foundation of this fledgling community. This book explores these trials, revealing how they not only refined the early Christians' faith but ultimately became the catalyst for their remarkable growth. Discover the pivotal events that shaped Christianity's formative years: the stoning of Stephen, the conversion of Saul (Paul), his missionary journeys, and the establishment of churches in major cities like Antioch, Corinth, and Rome.
