**Advanced Course in Yogi Philosophy and Oriental Occultism** Ramacharaka, 1905 Frontiers of Knowledge: Scientific and Spiritual Sources for a New Era Douglas Kinney, 2014-06-06 Frontiers of Knowledge is the story of unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe We are birthing a new era in which our ideas about the nature and source of reality are swiftly changing Insights from quantum physics suggest that the basis of our physical world is actually mental conscious thoughts Other discoveries are causing us to redefine our concepts of mind and the elusive thing we call consciousness All strongly hint that spirituality is the underlying source of everything Frontier scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge through systematic investigations of startling phenomena that have been observed in quantum physics cosmology biology psychology disease and healing death near death experiences reincarnation experiences and those occurring in spiritual hypnosis on the nature of the spiritual

realm New concepts of reality are especially needed to explain the incredibly finetuned characteristics and the mysterious nature of our physical universe Ninety five percent of the universe s energy and mass are a mystery to scientists and for the moment we resort to naming them dark matter and dark energy The last time a comparable knowledge revolution occurred was in the late sixteenth century when astronomers determined that the planets revolved around the sun not the earth Historians call it the Copernican Revolution because it led to modern Western science From one perspective the new era predicted in this book a revolution in its own right can be considered the completion of the quantum revolution by defining and explaining the role of consciousness in our universe An underlying aspect of this new revolution is the sense that humanity is moving into a new era of rapidly expanding knowledge of the human spirit our soul aspect and non physical realities Until now this emerging knowledge has not been organized into a coherent and comprehensive structure *Frontiers of Knowledge* provides the first outline of this new structure of reality *A Jar Full of Fireflies* Sharon Spence,2017-02-24 When you are standing in a place of darkness the prospect of stepping boldly into the glaring light may be too much to bear When you are feeling fragile lonely and overwhelmed it is difficult to let change into your life Sometimes all you need is a gentle spark that can sink into your subconscious and take root It can coax you nudge you and slowly and gently guide you back to wholeness *A Jar Full of Fireflies* is the gentle spark you have been searching for There are no painful probing questions or confronting demands Instead it offers a library of wisdom gathered from personal stories of life love and loss that will resonate in your heart and provide healing for your soul Author Sharon Spence provides words of divine guidance heavenly blessings and sacred rituals along with elements of inspiration and empowerment designed to help you find the light within and let it shine once more This guide and collection presents a series of reflections blessings rituals and personal stories designed to bring healing and enlightenment to anyone *Bridges of Consciousness* Kathy Oddenino,1989 The Good Book Jawara D. King,2017-05-08 In every life situation focus on all the positive outcomes Destruction comes from focusing only on the negative Whatever you focus on and give your attention to is what will manifest Whatever you constantly think about is where youre focusing your energy When you find yourself thinking in agreement with the dark side direct your thinking to have your mind focus on anything positive Ensure that your mind is nourishing you with its thoughts By directing your thoughts you can choose your mindstate Never let your mind think whatever it wants You will become the essence of your constant thought Watch your mind 3 Pendulum Languages Raven Shamballa,2019-05-25 Learn how to use the pendulum as a divination tool for white light spirit communication As many light workers grow on the spiritual path they naturally gravitate toward wanting a stronger relationship with their spirit guides Learn an advanced style of communication using the pendulum Go beyond yes no maybe questions and learn how to hold a conversation with your spirit guides The 3 languages include how to contact your angelic team pendulum on the hand and charts and maps These languages allow for advanced communication with your angelic team This book includes additional charts for communication including vitamins

and herbs crystals and essential oils The book also includes blank charts that you can use to design your own charts to get more detailed information Color charts are available for download at her website [www.ravenlightbody.com](http://www.ravenlightbody.com) Pendulum work is considered training wheels for becoming clairaudient As you practice the art of divination you find you hear or know the answer before the swing of the pendulum and through this process you develop your psychic abilities Your Passport to Alternative Spirituality and the After-Life Maureen Perez,2022-09-27 My reason for writing this book is to address the many opinions people have about alternative spirituality topics and what happens when we die There are many fearful ideas about death personal responsibility and sin I want to provide an alternative view of these subjects I firmly believe that our Creator would never cause us to suffer in any way shape or form That energy is of a loving parent who disciplines us when we need it and loves us unconditionally **The Truthseeker's Guide to the Investigation of Modern Spiritualism.
