The Code of Federal Regulations of the United States of America, 1976 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government *Reports of Cases Argued and Determined in the Court of Appeals of the State of New York* New York (State). Court of Appeals, 1859 **Are Liberty and Equality Compatible?** Jan Narveson, James P. Sterba, 2010-04-22 Are the political ideals of liberty and equality compatible This question is of central and continuing importance in political philosophy moral philosophy and welfare economics In this book two distinguished philosophers take up the debate Jan Narveson argues that a political ideal of negative liberty is incompatible with any substantive ideal of equality while James P Sterba argues that Narveson's own ideal of negative liberty is compatible and in fact leads to the requirements of a substantive ideal of equality Of course they cannot both be right Thus the details of their arguments about the political ideal of negative liberty and its requirements will determine which of them is right Engagingly and accessibly written their debate will be of value to all who are interested in the central issue of what are the practical requirements of a political ideal of liberty Federal Register, 1973 **China Turns to Multilateralism** Guoguang Wu, 2007-09-12 China's recent rapid economic growth has drawn global attention to its foreign policy which increasingly has had an impact on world politics In contrast with China's long standing preference for bilateralism or unilateralism in foreign policy recent decades have seen changes in the PRC's attitude and in its declaratory and operational policies with a trend toward the accepting and advocating of multilateralism in international affairs Whilst China's involvement has been primarily in the economic arena for example participation in the World Trade Organization and ASEAN Plus Three it has more recently expanded into international security institutions such as the Shanghai Cooperation Organization This book records analyzes and attempts to conceptualize this phenomenal development in Chinese foreign policy and its impact on international relations with the emphasis on China's active participation in multilaterally oriented regional security regimes Written by an impressive team of international scholars this book is the first collective effort in the field of China studies and international relations to look at China's recent turn to multilateralism in foreign affairs It will appeal to students and scholars of Chinese politics and foreign policy security studies and international relations Code of Federal Regulations, 1964 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries Relating to Responsibility Peter Cane, John Gardner, 2001-10-19 Eight essays by leading legal theorists based on papers presented at two workshops one in Canberra in November 1999 and the other in New York in March 2000 outline reactions to Tony Honore's emeritus civil law Oxford U post retirement writings on issues related to responsibility including determinism and luck causation responsibility for outcome and the morality of strict liability A ninth essay by Honore responds to them The contributors are lawyers and philosophers based in Australia the US Canada and the UK Distributed by ISBS Annotation
